Corporate Profile

DISA LIMITED

DISA LIMITED (“**DISA**”, and together with its subsidiaries, the “**Group**”), is an investment holding company listed on the SGX Catalist since 1992.

The Group is focusing on high-value services with long term economic resilience through globalisation initiatives.

The primary businesses of the Group will be to strengthen the Group’s reliability and sustainability by way of leveraging in-house eco system research and development capability to innovate new product development with cloud-based platforms and digitalisation of product and services.

Advancing towards disruptive technology will be actively pursued in all industry segments as the Group continues to evolve its competitive edge to thrive in the digital era.

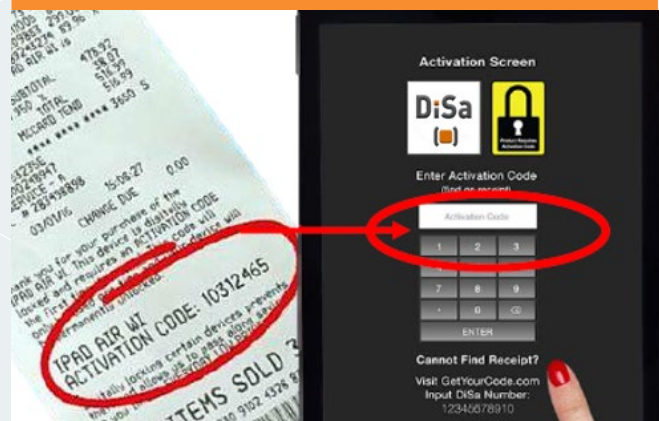

The Group has been continuously reviewing its businesses to focus on high-value services with long term potential while divesting non-core segments to complement its growth.

TECHNOLOGY

Disa Digital Safety Pte. Ltd. (“**DDSPL**”) is a wholly owned subsidiary of DISA that specializes in research and development of cutting-edge security solution.

DDSPL was one of the winners of The Peak Tech Laureates 2020. The Peak Tech Laureates seeks to honour technology partners who empower corporations with their most innovative and compelling services and solutions.

PoSA Smart Lock

PoSA Smart Lock is the world’s first digital asset-protection solution that removes the benefit of stealing by making the consumer electronic products non-functional until the point of payment by the consumer at retail stores.

Disa Digital Safety (USA), a wholly owned subsidiary of DDSPL was named first place winner for the 2017 (R) Tech Asset Protection: Innovation Award by the Retail Industry Leaders Association, USA for its Point-of-Sale Activation (“**PoSA Smart Lock**”) technology on 24 April 2017.

DDSPL launched its Single-Scan Serialization (“**3S Smart Barcode**”) to prevent return fraud within the same retailer in 2017. Since then, the number of DiSa-Enabled product categories has been extended further from sports jersey and cargo basket to many other products such as fitness card and athletic recovery equipment.

DISA-ENABLED PRODUCTS

3S Smart Barcode, effectively stops invalid returns, offers product visibility with real-time analytics from Product ID Live, and provides more accurate inventory calculations by rejecting invalid returns and giving more precise store and item sales and returns data.

On 5 January 2021, DDSPL and Appriss Retail, an industry leader in retail performance improvement solutions, partner on product serialization to assist retailers in fighting return fraud and abuse.

Product ID Live, the first smart asset protection technology tool that proactively combats shrink and eliminates return fraud. Retailers and suppliers receive live 24/7 user access to individual item tracking, predictive algorithms, preventative warning notifications, merchandising tools, shrink and fraud alerts, and live inventory analytics.

DiSa ultra-violet (UV) disinfection robot is an autonomous disinfection robot for commercial spaces, hospitals, schools and other high-touch points. The robot was designed as a complement to the existing cleaning cycle with the aim of reducing the spread of infectious diseases, viruses, bacteria, and other harmful microorganisms.

The robot can drive autonomously while emitting concentrated UV-C light onto pre-defined infectious high touch points hotspot environments, thus disinfecting and killing bacteria and virus on all exposed surfaces.

The efficacy of the robot has been certified by international accredited testing laboratory, TÜV Rheinland Hong Kong Limited.

Letter to Shareholders

TOH HOCK GHIM
Chairman

CHNG WENG WAH
Managing Director and
Chief Executive Officer

“Despite a challenging operating environment, the Group continues to make good progress in its effort to increase the list of products adopting our asset protection technology to prevent retail theft and return fraud in FY2021.”

DEAR SHAREHOLDERS,

On behalf of the Board of Directors (the “**Board**”) of DISA Limited (“**DISA**”, together with its subsidiaries, the “**Group**”), we are pleased to present to you the annual report of the Group for the financial year ended 30 June 2021 (“**FY2021**”).

FY2021 – YEAR IN REVIEW

We continued to make our best efforts in FY2021. The Group generated a record revenue of \$19.4 million in FY2021, an increase of 192.3%, or \$12.8 million as compared to \$6.6 million achieved in FY2020 as the Group continues to expand its technology business during FY2021.

The Group’s losses (excluding one-off expenses of \$0.2 million) for FY2021 narrowed to \$3.0 million, a decrease of 46.3% or \$2.5 million from \$5.5 million (excluding one-off expenses of \$8.2 million) in FY2020. The reduction in losses was achieved through higher revenue and lower operating expenses. Over the past two years, the Group, in a continuing effort to contain costs, has taken a number of initiatives to streamline and optimise its operations.

Despite a challenging operating environment, the Group continues to make good progress in its effort to increase the list of products adopting our asset protection technology to prevent retail theft and return fraud in FY2021. The number of DiSa-Enabled products continue to expand during FY2021 and accordingly, the number of SKUs has increased from 848 as of 30 June 2020 to 1,125 as of 30 June 2021.

The onboarding of new retailers in the United States continues to remain slow in FY2021 despite the gradual recovery of the global economy in the prolonged COVID-19 pandemic.

In January 2021, the Group, through its wholly-owned subsidiary, Disa Digital Safety Pte. Ltd., signed a collaboration agreement with Appriss Retail, an industry leader in retail performance improvement solutions, to help retailers combat return fraud and abuse in high-value merchandise. Through this partnership, the DiSa Single Scan Serialization (3S) Smart Barcode that uniquely identifies each item will be incorporated into Appriss Retail's analytics engine, *Verify*, for return authorisation.

GOING FORWARD

The Group will continue to maintain its focus on the technology related business opportunities and exercise financial prudence as it continues its research effort to further enhance its asset protection solutions for a wider range of retailers and to further strengthen the competitiveness of our solutions.

Leveraging on its core technology, the Group will continue to actively seek for new business opportunities to further improve its business performance.

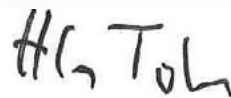

SUSTAINABILITY MATTERS

We reaffirm our commitment to sustainability by publishing the sustainability report guided by the Global Reporting Initiative Standards: Core Option. We seek to provide insights into the way we do business, while focusing on our environmental, social, governance and economic performance.

OUR APPRECIATION

On behalf of the Board, we would like to express our appreciation to the management and staff of the Group for their hard work and dedication towards making FY2021 an exciting year for the Group. We would also like to express our sincere gratitude to our Board of Directors, shareholders, valued customers and business partners for their unwavering and continuing support.

We look forward to your continued support as we continue to explore new business opportunities and remain committed towards delivering sustainable returns for our shareholders.

Operating And Financial Review

FINANCIAL PERFORMANCE

Revenue

The Group generated a record revenue of \$19,401,000 in FY2021, an increase of 192.3%, or \$12,764,000, as compared to \$6,637,000 achieved in FY2020 as the Group continues to expand its technology business during FY2021.

The number of DiSa-Enabled products continue to expand during FY2021 and accordingly, the number of SKUs* has increased from 848 as of 30 June 2020 to 1,125 as of 30 June 2021.

* A stock-keeping unit (SKU) is a scannable bar code, most often seen printed on product labels in a retail store. The label allows vendors to automatically track the movement of inventory.

Interest income

Interest income decreased by \$124,000, or 90.5%, from \$137,000 in FY2020 to \$13,000 in FY2021 as the Group continues to utilize its fixed deposit to expand its technology business and fund its operating costs.

Other income

Other income increased by \$214,000, or 116.3%, from \$184,000 in FY2020 to \$398,000 in FY2021. This was mainly attributable to the receipt of government grant on Job Support Scheme, gain on disposal of a club membership and the gain on lease modification resulting from early termination of leases during FY2021. The increase was, however, partially offset by absence of gain on foreign currency exchange from depreciation of USD against SGD.

Costs and expenses

The increase in cost of inventories was in line with the increase in revenue for FY2021. The decrease in subcontractor expenses in FY2021 was mainly due to the disposal of the Group's energy management business in FY2020.

Operating And Financial Review

Other costs and expenses for FY2021, excluding one-off expenses of \$205,000 from write-off of office renovation cost (FY2020: \$8,157,000 from loss on disposal of subsidiaries and net impairment gain on financial assets) decreased by \$2,102,000, or 31.9%, from \$6,595,000 in FY2020 to \$4,493,000 in FY2021. The decrease was driven mainly by:

- lower staff costs of \$3,177,000 in FY2021 against \$4,666,000 in FY2020 through reduced payroll related costs as the Group continues to streamline its operations;
- lower depreciation charges of \$420,000 in FY2021 against \$619,000 in FY2020 as the Group derecognized the right-of-use asset from an early termination of lease;
- lower legal and professional fee of \$245,000 in FY2021 against \$335,000 in FY2020 arising from closure of a legal case and fewer corporate activities; and
- decrease in other expenses from \$975,000 in FY2020 to \$651,000 in FY2021, contributed mainly from lower research and development expenses, directors' fee and the absence of insurance management fee from liquidation of a subsidiary, DiSa Insurance Company during FY2021.

Finance cost for FY2021 decreased by \$40,000, or 48.2%, from \$83,000 in FY2020 to \$43,000 in FY2021 attributed mainly from the lower interest on lease liability from an early termination of a lease.

FINANCIAL POSITION

Total assets of the Group decreased by \$2,776,000, or 26.4%, from \$10,535,000 in FY2020 to \$7,759,000 in FY2021, attributable to:

Non-current assets

- Write-off of office renovation cost of \$205,000, depreciation charges of \$420,000 and disposal of office furniture of \$29,000, offset by the net increase of right-of-use asset of \$73,000 from renewal of existing lease and recognition of a new leases in FY2021 and the derecognition of right-of-use asset from an early termination of lease in FY2021 as well as the purchase of other plant and equipment amounting to \$82,000;
- Full fair value loss of investment in SCash Technologies Pte. Ltd.;
- Disposal of club membership of \$120,000; and
- Reclassification of lease receivable of \$43,000 to current asset as it falls due within 1 year.

Current assets

- Inventory level decreased as the Group sold all its semiconductor devices inventory during FY2021;
- Lower current assets from the receipts of lease and grant receivables as well as the net decreased in the refundable deposits from an early termination and the additional deposit paid for the new lease; and
- Cash and bank balances decreased by \$899,000. Refer to explanation in section entitled "CASH FLOWS" below.

The decrease was, however, offset by the increase in trade receivables of \$461,000, which was in line with the increase in sales revenue in FY2021.

Operating And Financial Review

Total liabilities

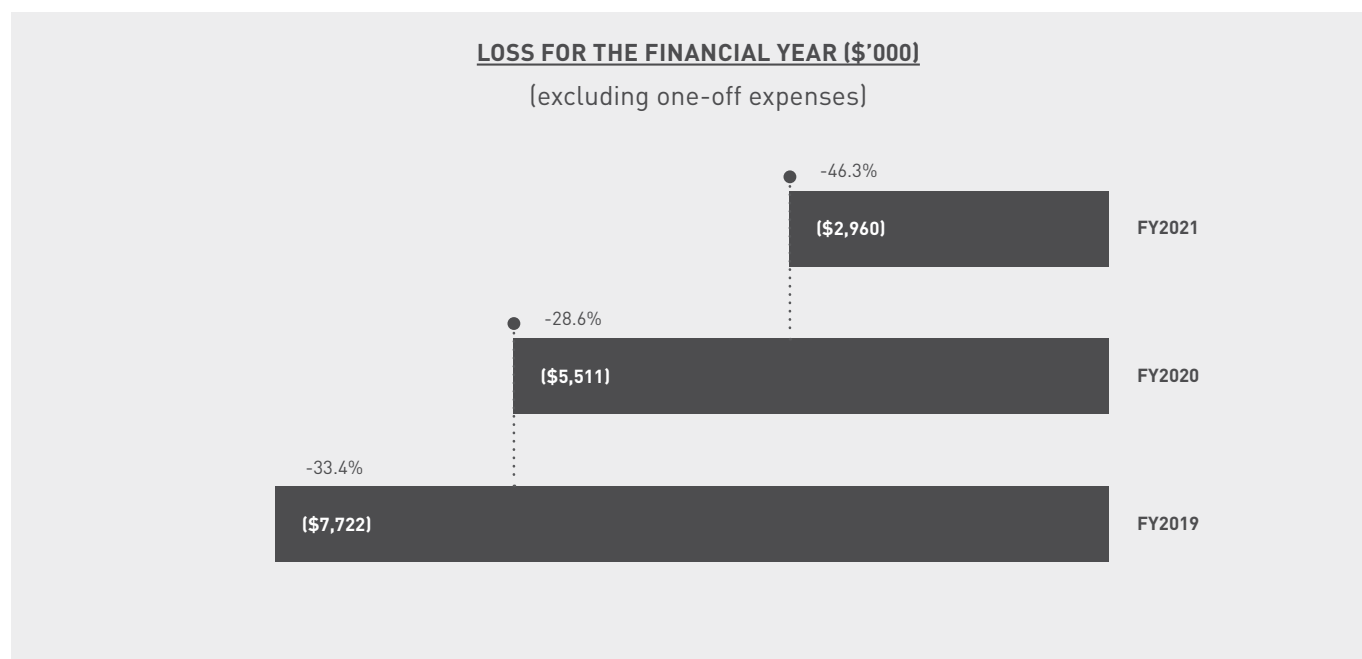

Total liabilities of the Group decreased by \$211,000, or 12.3%, from \$1,716,000 in FY2020 to \$1,505,000 in FY2021 arising mainly from (i) repayment of hire purchase loan and lease liabilities of \$360,000 and the reversal of office restoration cost of \$137,000 as no restoration was required upon termination of the lease. These were, however, offset by the higher sales rebate and royalties accrued as at the end of FY2021.

CASH FLOWS

Cash and cash equivalents, excluding the effects of exchange rate changes of \$52,000, decreased by \$847,000, or 14.1%, in FY2021 as compared to FY2020 attributed mainly to the payment of operating expenses. Net cash used in operating activities was \$504,000. This was mainly due to (i) operating cash outflow before movements in working capital of \$1,826,000; (ii) net positive working capital movement of \$1,285,000; and (iii) net currency translation gain of \$37,000. Net cash generated from investing activities was \$60,000. Net cash generated from financing activities was \$1,951,000 mainly arising from the release in pledged fixed deposit of \$2,354,000 and partially offset by repayment of lease liabilities of \$360,000.

OVERALL PERFORMANCE

The Group's losses (excluding one-off expenses) for FY2021 narrowed to \$2.96 million, a decrease of 46.28%, from \$5.51 million in FY2020, achieving mainly from the higher revenue and lower operating costs. The Group will continue to maintain its focus on the technology related business opportunities and exercise financial prudence as it continues its research effort to further enhanced its asset protection solution to cater for wider range of retailer need and to further strengthen the competitiveness of its solution.

Corporate Governance Report

DISA Limited (“**DISA**” or the “**Company**”) is fully committed to maintaining high standards of corporate governance within the Company and its subsidiaries (collectively, the “**Group**”). The Board recognises the importance of good corporate governance and the offering of high standards of accountability to the shareholders.

This annual report describes the Company’s corporate governance processes and activities for the financial year ended 30 June 2021 (“**FY2021**”), with specific references made to the Principles and Provisions of the revised Code of Corporate Governance 2018 (the “**Code**”) and accompanying Practice Guidance issued on 6 August 2018. The Board confirms that for FY2021, the Company has adhered to the Principles and Provisions as set out in the Code, where applicable, and has specified and explained deviations from the Code, if any, in this annual report in accordance to Rule 710 of the Listing Manual Section B: Rules of Catalist (the “**Catalist Rules**”) of the Singapore Exchange Securities Trading Limited (“**SGX-ST**”). This report should be read in totality, instead of being read separately under each Principle of the Code.

PRINCIPLE 1: THE BOARD’S CONDUCT OF AFFAIRS

The Company is headed by an effective Board which is collectively responsible and works with Management for the long-term success of the Company.

Provisions of the Code	DISA’s Corporate Governance Practices

1.2 Directors' induction, training and development	<p>The Chief Executive Officer (“CEO”) ensures that Board members are provided with complete, adequate and timely information on a regular basis to enable them to be fully cognisant of the affairs of the Group.</p> <p>New Directors, upon appointment, are briefed on the Group's structure, businesses, governance policies and regulatory issues. Newly appointed Directors will also be provided with a formal letter setting out their duties and obligations. In accordance with Rule 406(3)(a) of the Catalist Rules (which was revised to be consistent with the Code with effect from 1 January 2019), newly-appointed Directors who do not have prior experience as a director of a public listed company in Singapore will undergo mandatory training courses organised by the Singapore Institute of Directors on the roles and responsibilities of a director of a listed company, or other training institutions in areas such as management, accounting, legal and industry-specific knowledge, where appropriate, in connection with their duties.</p> <p>From time to time, the Company Secretary and the Company's auditors will advise the Directors or if necessary, conduct briefings to the Directors on the new accounting standards and corporate governance practices as well as updates on any changes in the Companies Act, Chapter 50, of Singapore (the “Companies Act”) and the Catalist Rules. Directors may also request to visit the Group's operation facilities and meet with the Management in order to have a better understanding of the Group's business operations.</p> <p>The Directors are fully aware of the requirements in respect of their duties and obligations as a director and how to discharge those duties and obligations.</p>

Corporate Governance Report

Provisions of the Code

DISA's Corporate Governance Practices

The Company has available budget and will arrange for Directors to receive further relevant trainings in connection with their duties. Relevant courses include programs conducted by the Singapore Institute of Directors or other training institutions. The CEO also updates the Board at each Board meeting on business and strategic developments relating to the industry that the Group operates in.

During FY2021, the Directors were provided with briefings and/or updates on: (i) the developments in financial reporting and governance standards by the external auditors of the Company, Baker Tilly TFW LLP; (ii) business and strategic developments of the Group by the Management during the Board and/or Board Committee meetings; and (iii) updates to the Catalist Rules by the Company's sponsor, SAC Capital Private Limited.

1.3 Matters requiring Board's approval

Matters which are specifically reserved for decision by the Board include, amongst others, those involving material acquisitions and disposals of assets, corporate or financial restructuring and share issuance, dividends and other returns to shareholders.

The Board also meets physically or by way of tele-conferencing, video-conferencing or other electronic communication facilities to review and consider, amongst others, the following corporate matters:

- approval of half yearly and year-end results announcements;
- approval of the annual report and financial statements;
- convening of shareholders' meetings;
- material acquisition and disposal of assets;
- major corporate actions;
- major investments and funding decisions;
- financial performance and key operational initiatives;
- interested person transactions; and
- overseeing the implementation of appropriate systems to manage the Group's business risk.

1.4 Board Committees

To facilitate effective management, certain functions have been delegated to various board committees, namely the Nominating Committee ("**NC**"), Remuneration Committee ("**RC**") and Audit and Risks Management Committee ("**ARMC**") (collectively the "**Board Committees**"), each of which has its own defined scope of duties and written terms of reference setting out the manner in which it is to operate and the functions for achieving its stated objectives. The Chairman of the respective Board Committees will report to the Board the outcome of the respective Board Committees' meetings. Minutes of the Board Committee meetings are made available to all Board members. The key terms of reference and composition of each Board Committee can be found in this report.

1.5 Board Meetings Attendance and

With effect from 25 November 2020, the Company has obtained approval from the SGX-ST to cease quarterly reporting of its financial results. The Board will convene its regular scheduled meetings on a half-yearly basis to review and evaluate the Group's operations and performance and to address key policy matters of the Group, where necessary. Additional ad-hoc meetings are convened when circumstances require. The Board may also meet informally where necessary. The Company's Constitution allows for a Board meeting to be conducted by way of tele-conference, video-conference or other electronic communication facilities through which all persons participating in the meeting can communicate with each other simultaneously and instantaneously.

All Directors are required to declare their board appointments. When a Director has multiple listed company board representations, the NC will consider whether the Director is able to adequately carry out his duties as a Director of the Company, taking into consideration the Director's number of listed company board representations and other principal commitments. The NC has reviewed and is satisfied that notwithstanding their multiple board appointments, Mr. Toh Hock Ghim, Mr. Lau Kay Heng and Mr. Lim Soon Hock who sit on multiple boards, have been able to devote sufficient time and attention to the affairs of the Company to adequately discharge their duties as Director of the Company.

At Board and Board Committee meetings, the Directors are free to discuss and openly challenge the views presented by the Management and the other Directors.

In lieu of physical meetings, written resolutions are also circulated for approval by members of the Board.

1.6 Access to information

Board members are provided with adequate and timely information prior to Board and Board Committee meetings, and on an on-going basis.

Board papers incorporating sufficient information from Management are forwarded to the Board members in advance of each Board meeting to enable each Board member sufficient time to prepare for the meetings. As a general rule, notices are sent to the Directors one week in advance of Board meetings, followed by Board papers, in order for the Directors to be adequately prepared for the meetings.

Requests for information from the Board are dealt with promptly by the Management as needed for the Directors to make informed decisions. Board interaction with, and independent access to, the Management is encouraged.

The Board is informed of all material events and transactions as and when they occur. The Board is provided with Management reports, and papers containing relevant background or explanatory information required to support the decision-making process on an on-going basis.

Proposals to the Board for decision or mandate sought by Management are in the form of memorandums or Board papers that give the facts, analysis, resources needed, expected outcome, conclusions and recommendations. However, sensitive matters may be tabled at the meeting itself or discussed without papers being distributed.

1.7 Access to Management, Company Secretary and external advisers

The Directors have separate and independent access to the Management, the Company Secretary, the Company's sponsor, external and internal auditors, and other external advisers (where necessary).

Management provides the Executive Director with a monthly financial report. Monthly meetings are conducted involving the Management and the respective business unit heads. Additional or ad-hoc meetings are conducted, when required.

Management makes presentations to the Board on a half-yearly basis on the financial performance of the Group, or as the Board may require from time to time to enable the Board to make a balanced and informed assessment of the Company's performance, position and prospects.

The Company Secretary administers and prepares minutes of Board Committees' meetings and Board meetings attended. Such minutes of meetings are circulated to the Board. The Company Secretary also assists the Board to ensure that Board procedures are followed and that applicable rules and regulations (in particular the Code, the Companies Act and the Catalist Rules) are complied with. The agenda for Board and Board Committee meetings are prepared in consultation with the Chairman, the Chairman of the respective committees, and the CEO to ensure good information flow within the Board and Board Committees, as well as between the Management and the Non-Executive Directors. The Company Secretary advises the Board on all governance matters and attends all Board and Board Committee meetings.

The Board, as a whole, is involved in the appointment and removal of the Company Secretary.

The Directors, whether as a group or individually, may seek or obtain legal and other independent professional advice, concerning any aspect of the Group's operations or undertakings in order to fulfil their roles and responsibilities as directors. Any cost of obtaining such professional advice will be borne by the Company.

Corporate Governance Report

PRINCIPLE 2: BOARD COMPOSITION AND GUIDANCE

The Board has an appropriate level of independence and diversity of thought and background in its composition to enable it to make decisions in the best interests of the Company.

Provisions of the Code	DISA's Corporate Governance Practices
2.1 Directors independence	<p>The independence of each Director is reviewed annually by the NC. Each Independent Director is required to complete a checklist annually to confirm his independence based on the Provision 2.1 as set out in the Code and the relevant Catalist Rules.</p> <p>The NC adopts the definition of what constitutes an Independent Director from the Code and the Catalist Rules in its review. The Board, after taking into account the views of the NC, is of the view that the Independent Directors are independent in character and judgement and there are no relationships or circumstances that could interfere, or be reasonably perceived to interfere, with the exercise of the director's independent business judgement with a view to the best interests of the Company.</p> <p>Under Rules 406(3)(d)(i) and 406(3)(d)(ii) of the Catalist Rules, it stipulates that a Director will not be considered as independent if he is employed by the issuer or any of its related corporations for the current or any of the past three (3) financial years; or if he has an immediate family member who is employed or has been employed by the issuer or any of its related corporation for the past three (3) financial years, and whose remuneration is determined by the remuneration committee of the issuer. In this regard, the Independent Directors have confirmed that they and their respective associates do not have any employment relationships with the Company or any of its related corporations for the current or any of the past three (3) financial years.</p> <p>The Directors who are considered to be independent are Toh Hock Ghim ("Mr. Toh"), Lau Kay Heng ("Mr. Lau") and Lim Soon Hock ("Mr. Lim").</p> <p>For FY2021, the effectiveness and independence of Mr. Toh and Mr. Lau who served on the Board beyond nine (9) years was subject to particularly rigorous scrutiny. Despite their long period of service, the NC found and recommended to the Board that Mr. Toh and Mr. Lau have, at all times, expressed their individual viewpoints, objectively debated issues brought up at meetings of the Board and/or Board Committees and closely scrutinized Board matters and Board Committee matters. Mr. Toh and Mr. Lau sought clarification and advice, as and when he considered necessary, from Management, other employees and external advisors, and exercised strong independence in character and impartial judgment whilst discharging their duties as members of the Board and Board Committees. Both the Board and the NC noted that Mr. Toh and Mr. Lau have made decisions objectively in the best interests of the Group and its stakeholders. The Board, having considered the NC recommendation and weighting the need for the Board's refreshment against tenure and familiarity with the Group's businesses and operations, deems Mr. Toh and Mr. Lau as independent and agrees that their years of service have not compromised their independence or ability to discharge their duties as a member to the Board and Board Committees.</p>

Corporate Governance Report

Provisions of the Code

DISA's Corporate Governance Practices

In accordance to Catalist Rule 406(3)(d)(iii) that will take effect on 1 January 2022, both Mr. Toh and Mr. Lau will seek for shareholders' approval in the coming annual general meeting ("**AGM**") for their continued appointment as independent directors of the Company in separate resolutions by (A) all shareholders; and (B) shareholders, excluding the Directors, the CEO, and their associates (the "**Two-Tier Voting Process**"). Such resolutions approved by a Two-Tier Voting Process may remain in force from the conclusion of the AGM following the passing of the resolutions until the conclusion of the third AGM from such approvals or the retirement or resignation of the Director, whichever is the earlier.

Notwithstanding that Mr. Toh and Mr. Lau had served as Independent Directors of the Company beyond nine (9) years since the date of their first appointment, the Board is of the view that Mr. Toh and Mr. Lau are independent as:

- neither they nor their immediate family members have any relationship or business dealings with the Group and the Company's substantial shareholders in the current or immediate past financial year;
- neither they nor their immediate family members have been employed by the Company or any of its related corporations for the current or any of the past three (3) financial years;
- they have, over the years, actively participated in the proceedings and decision-making process of Board meetings. The Board considers both Mr. Toh and Mr. Lau to have made impartial advice and insights and have exercised independent judgement in doing so without dominating the Board discussions in these proceedings and/or meetings;
- they have constructively challenged and helped develop proposals on strategy and reviewed the performance of Management in achieving agreed goals; and
- they have provided overall guidance to Management and in protecting the Company's assets and shareholders' best interests.

Both Mr. Toh and Mr. Lau had abstained from the Board's and NC's review on their independence status.

2.2 Independent directors make up a majority of the Board	As at the date of this annual report, the Board has four (4) Directors, which comprises one (1) Executive Director and three (3) Non-Executive and Independent Directors. As a cornerstone to achieving high standards of corporate governance, there is a strong and independent element on the Board, with Independent Directors making up three (3) out of four (4) members of the Board, including the Chairman of the Board. The composition of the Board complies with the Provisions of the Code that Independent Directors and Non-Executive Directors make up the majority of the Board. This enables the Board to exercise independent judgement on corporate affairs and provide Management with a diverse and objective perspective on issues and no individual or small group of individuals dominates the Board's decision-making process. The Non-Executive Directors can constructively challenge and help develop proposals and strategy and review Management's performance and monitor the reporting of performance. The composition of the Company's Board and Board Committees is set out below:
2.3 Non-executive directors make up a majority of the Board

2.4 Board composition

The Board comprises respected individuals from different backgrounds and whom as a group provides core competencies, such as business management experience, industry knowledge, financial and strategic planning experience and customer-based knowledge that are extensive and critical to meet the Group's objectives. Together, the Directors bring a wide and diverse range of business, finance and management experience that will provide effective governance and stewardship for the Group. Please refer to the "Board of Directors" section of this annual report for the Directors' profile.

The size and composition of the Board are reviewed from time to time by the NC to ensure that the size of the Board is conducive for effective discussion and decision-making and that the Board has an appropriate balance of Independent Directors. The Board is of the view that the current Board size and composition is appropriate, taking into account the scope and nature of the Group's operations.

The Company believes that diversity is an important attribute of a well-functioning and effective Board. While it currently does not have a formal Board Diversity Policy, the Company has embraced diversity on the Board and Board Committees and as evidenced by the diversity of its members who hail from different professional and business backgrounds, as well as age and length of service on the Board and recognises the benefits of having an effective and diverse Board, and views diversity at the Board level as an essential element in supporting the attainment of its strategic objectives and sustainable development. In reviewing the Board composition and succession planning, the NC will consider the benefits of all aspects of diversity, including functional and domain skills, knowledge, experience, cultural and educational background, gender, age, tenure and other relevant aspects of diversity of perspectives appropriate to its business, so as to avoid group think, foster constructive debate, and enable the Board to make decisions in the best interests of the Company. These differences will be considered in determining the optimum composition of the Board and when possible, should be balanced appropriately. All Board appointments will be based on merit, in the context of the skills, knowledge, experience and independence which the Board as a whole requires to be effective, having due regard for the benefits of diversity on the Board.

2.5 Meetings of Non-Executive Directors without the presence of Management

Where warranted, the Non-Executive Directors meet without the presence of Management or Executive Director(s) to review any matter that may be raised privately. During the year, the Non-Executive Directors communicated among themselves and met without the presence of the Management as and when warranted. The Non-Executive Directors subsequently provides material feedback received to the Board.

Corporate Governance Report

PRINCIPLE 3: CHAIRMAN AND CHIEF EXECUTIVE OFFICER

There is a clear division of responsibilities between the leadership of the Board and Management, and no one individual has unfettered powers of decision-making.

Provisions of the Code	DISA's Corporate Governance Practices
3.1 Separation of the roles of the Chairman and the CEO	The Chairman and CEO are separate persons. Their responsibilities are clearly defined and separated to ensure a balance of power and authority within the Company.
3.2 Division of responsibilities between the Chairman and CEO	<p>The Chairman of the Board, Mr. Toh is an Independent Non-Executive Director. As Chairman of the Board, Mr. Toh is responsible for leading the Board and facilitating its effectiveness and his duties include promoting high standards of corporate governance.</p> <p>As part of his duties, the Chairman also ensures that Board meetings are held when necessary and sets the Board meeting agenda in consultation with the CEO, acting as facilitator at Board meetings and maintaining regular dialogue with the Management on all operational matters. In addition, the Chairman ensures that Board members are provided with complete, adequate and timely information, facilitates the effective contribution of Non-Executive Directors, ensures there is effective communication with shareholders and promotes high standards of corporate governance.</p> <p>The CEO, Mr. Chng Weng Wah, has full executive responsibilities of the overall business and operational decisions of the Company.</p>
3.3 Lead Independent Director	There is no lead independent director appointed as the Chairman is not conflicted.

Corporate Governance Report

PRINCIPLE 4: BOARD MEMBERSHIP

The Board has a formal and transparent process for the appointment and re-appointment of directors, taking into account the need for progressive renewal of the Board.

Provisions of the Code	DISA's Corporate Governance Practices
4.1 Role of the NC	<p>The NC comprises three (3) Independent Non-Executive Directors. The composition of the NC is set out under Provisions 2.2 and 2.3 of this report.</p> <p>The responsibilities of the NC are described in its written terms of reference. The NC's principal responsibilities include the following:</p> <ol style="list-style-type: none">(1) make recommendations to the Board on all Board appointments;(2) propose to re-nominate existing Directors, having regard to the Directors' contribution and performance (e.g. attendance, preparedness, participation and candor) including, if applicable, as an Independent Director;(3) assess annually whether or not a Director is independent;(4) assess whether or not a Director is able to and has been adequately carrying out his duties as a Director;(5) propose an objective performance criteria to evaluate the Board's performance, subject to the approval of the Board;(6) review training and professional development programs for the Board; and(7) assess the effectiveness of the Board as a whole and the contribution by each individual Director to the effectiveness of the Board, and to decide how the Board may be evaluated.
4.2 Composition of NC

4.3 Board renewal and succession planning

The search and nomination process for new Directors, if any, will be through search companies, contacts and recommendations to cast its net as wide as possible for the right candidate. In identifying and evaluating nominees for appointment as Directors, the NC assesses the candidates based on their background, qualification, work experience and integrity. In the case of candidates for Independent Directors, the NC will also consider the independence of such candidates. The NC reports the results of such assessments and makes recommendations to the Board for the Board to decide on the appointment.

The NC assesses and recommends re-appointments of Directors to the Board. Each member of the NC shall abstain from recommending his own re-election.

In accordance with Regulations 92 and 93 of the Company's Constitution, all Directors shall retire from office once at least in each three (3) years by rotation and all newly appointed directors will have to retire at the next AGM following their appointments. The retiring directors are eligible to offer themselves for re-election.

The NC has recommended (i) Mr. Toh Hock Ghim, who retired pursuant to Regulation 92 of the Company's Constitution and pursuant to Rules 406(3)(d) of the Catalist Rules; and (ii) Mr. Lau Kay Heng, who subject for re-election pursuant to Rules 406(3)(d) of the Catalist Rules, be nominated for re-election at the forthcoming AGM of the Company.

Upon re-appointment as a Director of the Company in the forthcoming AGM, Mr. Toh Hock Ghim will remain as a Non-Executive and Independent Director and remain as Chairman of the Board, a member of the ARMC and the NC and the Chairman of the RC.

Upon re-appointment as a Director of the Company in the forthcoming AGM, Mr. Lau Kay Heng will remain as a Non-Executive and Independent Director and remain as the Chairman of the ARMC, and a member of the NC and RC.

In considering the nominations of Mr. Toh and Mr. Lau, the NC took into account the contribution of the Directors with reference to their attendance and participation at Board and other Board Committee meetings as well as the proficiency with which they have discharged their responsibilities. In addition, the NC has also considered their independence and is of the view that they are independent in character and judgement. The key information for each Director is disclosed in their profile as set out in the "Board of Directors" section of this annual report. In addition, pursuant to Rule 720(5) of the Catalist Rules, the additional information as set out in Appendix 7F of the Catalist Rules relating to the retiring Directors who are submitting themselves for re-election is disclosed in the "Additional Information on Directors Seeking Re-election" section of this annual report.

Corporate Governance Report

Provisions of the Code		DISA's Corporate Governance Practices
4.4	Circumstances affecting Director's independence	<p>The NC has reviewed the independence of each Director for FY2021 in accordance with the Code and Catalist Rules definition of independence and is satisfied that the majority of the Board comprised of Independent Directors. The NC carries out the review of independence of each Director on an annual basis.</p> <p>The key information in respect of the Directors' academic and professional qualifications, date of first appointment as a Director, date of last re-appointment as a Director, present directorships or chairmanship and those held over the preceding five (5) years in other listed companies and other principal commitments are set out in the "Board of Directors" section of this annual report. In addition, information on shareholdings in the Company held by each Director is set out in the Directors' Statement in the "Financial Statements" section of this annual report.</p> <p>In respect of the nomination of Mr. Toh and Mr. Lau, there are no relationships, including family relationships, between the retiring Directors and the other Directors of the Company, the Company or its 5% shareholders.</p>
4.5	Multiple listed company directorships and other principal commitments	<p>Notwithstanding that some of the Directors have multiple listed company board representations, the NC is satisfied that each Director is able to and has been adequately carrying out his duties as Director of the Company. The Board is of the view that it may not be necessary at this juncture to set a maximum number of listed company board representations which any Director may hold as the contribution of each Director would depend on their individual circumstances.</p> <p>The Board will take into consideration the same criteria for selection of Directors such as his qualifications, competencies and independence. Currently, there is no alternate Director on the Board.</p>

Corporate Governance Report

PRINCIPLE 5: BOARD PERFORMANCE

The Board undertakes a formal annual assessment of its effectiveness as a whole, and that of its board committees and individual directors.

Provisions of the Code	DISA's Corporate Governance Practices
5.1 and 5.2 Assessment of effectiveness of the Board and Board Committees and assessing the contribution by individual director	<p>The NC has established review processes to assess the performance and effectiveness of the Board as a whole and its Board Committees and the assessment of the contribution by the Chairman and each individual Director to the effectiveness of the Board.</p> <p>The NC will evaluate the Board's performance on a collective basis by means of a questionnaire that deals with matters on Board composition, information to the Board, Board procedures, Board and CEO/top Management accountability and the standards of conduct. The objective of the performance evaluation exercise is to uncover strengths and challenges so that the Board is in a better position to provide the required expertise and oversight.</p> <p>The NC has conducted a formal assessment of the effectiveness of the individual Board members, the Board Committees and the Board on a collective basis for FY2021 by means of questionnaires. During the financial year, all Directors were requested to complete questionnaires to assess the overall effectiveness of the individual Board members, including the Chairman, the Board and the Board Committees. Factors evaluated include, among other matters, Board structure, meetings and accountability, access to information, risk management and internal control, Management performance, succession planning, remuneration and communication with shareholders. The results of the questionnaires are first reviewed by the NC, and then tabled as an agenda for Board's discussion to determine areas for improvement and enhancement.</p> <p>After the NC's review of the contribution by each Director to the effectiveness of the Board as a whole and its Board Committees for FY2021, the NC is satisfied with the effectiveness of the Board as a whole and the Board Committees, as well as the contribution by each Director to the effectiveness of the Board. The NC is of the view that the Board, as a group, also possesses the necessary core competencies to direct the Company and Management to perform efficiently and effectively.</p> <p>The NC, on an annual basis and in considering the re-appointment of any Director, will evaluate the performance of the Director. The assessment of each Director's performance is undertaken by the Chairman of the NC. The criteria for assessment include but not limited to attendance record at meetings of the Board and Board committees, intensity of participation at meetings and the quality of contributions. The NC, in concurrence with the Chairman of the Board, is satisfied that each Director is contributing to overall effectiveness of the Board.</p> <p>There is no external facilitator engaged for the Board's assessment process for FY2021.</p>

Corporate Governance Report

PRINCIPLE 6: PROCEDURES FOR DEVELOPING REMUNERATION POLICIES

The Board has a formal and transparent procedure for developing policies on director and executive remuneration, and for fixing the remuneration packages of individual directors and key management personnel. No director is involved in deciding his or her own remuneration.

Provisions of the Code	DISA's Corporate Governance Practices
6.1 RC to recommend remuneration framework and packages	The RC comprises three (3) members, all of whom are Non-Executive and Independent Directors. The composition of the RC is set out under Provisions 2.2 and 2.3 of this report.
6.2 Composition of RC	<p>The RC is regulated by its terms of reference. The duties of the RC include the following:</p> <ol style="list-style-type: none"> (1) recommending to the Board a framework of remuneration for the Board, key management personnel of the Group and those employees related to the Directors and substantial shareholders of the Group, covering all aspects of remuneration such as Directors' fees, salaries, allowances, bonuses, options and benefits in kind; (2) reviewing annually the remuneration, bonuses, pay increase and/or promotions of employees who are related to the Directors or substantial shareholders of the Company to ensure that their remuneration packages are in line with the staff remuneration guidelines and commensurate with their respective job scopes and level of responsibilities; (3) reviewing the Company's obligations arising in the event of termination of service contracts entered into between the Group and its Executive Director(s) or Executive Officers, as the case may be, to ensure that the service contracts contain fair and reasonable termination clauses which are not overly onerous to the Group; (4) if necessary, seeking expert advice within and/or outside the Company on remuneration matters, ensuring that existing relationships, if any, between the Company and its appointed remuneration consultants will not affect the independence and objectivity of the remuneration consultants; (5) reviewing annually the remuneration package in order to maintain their attractiveness to retain and motivate the Directors and Executive Officers and to align the interests of the Directors and Executive Officers with the long-term interests of the Company; and (6) overseeing the administration of the DISA Employee Share Option Scheme ("DISA ESOS") and the DISA Performance Shares Scheme ("DISA PS Scheme") (refer to Provisions 7.1 and 7.3 of this report for further details of both schemes) or any other similar share plans as may be implemented by the Company from time to time and decide on the allocations and grants of such options or shares to eligible participants.

Corporate Governance Report

Provisions of the Code

DISA's Corporate Governance Practices

6.3 RC to consider and ensure all aspects of remuneration are fair

The Company sets remuneration packages to ensure it is competitive and sufficient to attract, retain and motivate Directors and key management personnel of the required experience and expertise to run the Group successfully.

The RC recommends for Board's endorsement, a framework of remuneration which covers all aspects of remuneration, including but not limited to Directors' fees (where applicable), salaries, allowances, bonuses, share options, and benefits in kind and specific remuneration packages for each Director and key executive.

The RC's recommendations will be submitted for endorsement by the Board. No Director is involved in deciding his own remuneration, compensation or any form of benefit to be granted to himself, his associates or employees who are related to him.

The RC will also review the Company's obligations arising in the event of termination of the Executive Director's and key management personnel's contracts of service, to ensure that such contracts of service contain fair and reasonable termination clauses, which are not overly generous.

6.4 Expert advice on remuneration

Where necessary, the RC shall seek expert advice inside and/or outside the Company on remuneration of all directors. The RC shall ensure that any relationship between the appointed consultant and any of its Director or the Company will not affect the independence and objectivity of the remuneration consultant. There was no remuneration consultant engaged for FY2021.

Corporate Governance Report

PRINCIPLE 7: LEVEL AND MIX OF REMUNERATION

The level and structure of remuneration of the Board and key management personnel are appropriate to the sustained performance and value creation of the Company, taking into account the strategic objectives of the Company.

Provisions of the Code

DISA's Corporate Governance Practices

7.1 and 7.3 Remuneration of Executive Directors and key management personnel are appropriately structured to link rewards to performance.

In determining the level of remuneration, the RC shall:

- give due consideration to the Code's Principles and Provisions notes on the level and mix of remuneration so as to ensure that the level of remuneration is appropriate to attract, retain and motivate directors needed to run the Company successfully, taking into account the risk policies of the Company and be symmetric with risks outcomes and be sensitive to the time horizon of risks;
- ensure that a proportion of the remuneration is linked to corporate and individual's performance; and
- design remuneration packages in such manner to align the interests of the Executive Director(s) and key management personnel with those of shareholders.

Annual review is carried out by the RC to ensure that the remuneration of the Executive Director and key management personnel is commensurate with the Company's and their performance, giving due regard to the financial and commercial health and business needs of the Group. The performance of the CEO is reviewed periodically by the RC and the Board.

The Company's remuneration system is flexible and responsive to the market and the performance of the Company and the individual Executive Director or key management personnel. The total remuneration mix comprises annual fixed cash and annual performance incentive. The annual fixed cash component comprises the annual basic salary plus any other fixed allowances. The annual performance incentive is tied to the performance of the Company and the individual Executive Director or key management personnel. Taking into consideration the nature of the Company's business activities, certain performance measurements include key financial targets and operational efficiency indicators.

The Company does not have contractual provisions to allow the reclaim of incentive components of remuneration from Executive Directors and key management personnel. In exceptional circumstances of misstatement of financial statements, or of misconduct resulting in financial loss to the Company and the Group, the Company believes that there are alternative legal avenues that will enable the Company to recover financial losses arising from such exceptional events from the Executive Director and key management personnel. The RC, together with the Board, will monitor and re-assess at the appropriate juncture again on whether such contractual provisions are necessary.

The Company has a share option scheme, DISA ESOS, which serves as a long-term incentive scheme for the Directors and employees of the Company.

Corporate Governance Report

Provisions of the Code

DISA's Corporate Governance Practices

DISA ESOS (the “**ESOS 2010**”) was approved and adopted by the shareholders of the Company at an Extraordinary General Meeting (“**EGM**”) held on 28 October 2010 (“**Date of Adoption**”). The ESOS 2010 shall continue to be in force at the discretion of the Company subject to a maximum period of ten (10) years commencing from the Date of Adoption till 27 October 2020. Controlling shareholders of the Company or associates of controlling shareholders shall not participate in the ESOS 2010, unless it has been approved by the independent shareholders in general meeting in separate resolutions for each such person and, in respect of each such person, in separate resolutions for each (i) his participation and (ii) the actual number of shares and terms of any option to be granted to him.

The ESOS 2010 is administered by a committee comprising Mr. Lau Kay Heng (Chairman), Mr. Chng Weng Wah and Mr. Toh Hock Ghim. However, no member of the committee shall be involved in any deliberation in respect of options to be granted to him. Details of the ESOS 2010 are disclosed in the “Directors’ Statement” section of the annual report.

The ESOS 2010 had expired on 28 October 2020 and a new DISA employee share option scheme will be tabled and subjected to the approval of shareholders at an EGM to be held on 28 October 2021, immediately after the conclusion of the AGM. Further details on the proposed new DISA employee share option scheme is being set out in the Circular to Shareholders dated 12 October 2021.

The Company also has a performance shares scheme, DISA PS Scheme, which serves to increase the Company’s flexibility and effectiveness in its continuing efforts to reward, retain and motivate employees to improve their performance. Shareholders have approved the renewal of DISA PS Scheme on 26 October 2018. Controlling shareholders of the Company and their associates are eligible to participate in the DISA PS Scheme.

No awards were granted under the DISA PS Scheme during FY2021. The DISA PS Scheme is administered by a committee comprising Mr. Toh Hock Ghim (Chairman), Mr. Chng Weng Wah and Mr. Lau Kay Heng.

7.2 Remuneration for Non-Executive Directors dependent on contribution, effort, time spent and responsibilities

The Non-Executive Directors do not have any service contracts. Each of them is paid a basic fee, determined by the Board based on their level of contribution and scope of responsibilities. The Chairman of the Board also receives a minimal fee for chairing the Board meetings. These fees are subject to approval by shareholders as a lump sum payment at the AGM of the Company. The Board, together with the NC, ensures that the Independent Non-Executive Directors are not compensated to the extent that their independence is compromised.

Corporate Governance Report

PRINCIPLE 8: DISCLOSURE ON REMUNERATION

The Company is transparent on its remuneration policies, level and mix of remuneration, the procedure for setting remuneration, and the relationships between remuneration, performance and value creation.

Provisions of the Code	DISA's Corporate Governance Practices				
8.1 and 8.3 Remuneration disclosure of Directors and key management personnel as well as the details of employee share option schemes	<u>Directors' Remuneration</u>				
8.2 Remuneration disclosures of related employees	There are both fixed and variable components to the Executive Director's remuneration. The variable components are tied to the Group's performance.				
	Given the highly competitive conditions of the Company's industry and that the total Directors' fees payable to Directors are subject to shareholders' approval, the Company believes that the full disclosure of each Director's remuneration as recommended by the Code may not be in the best interest of the Company. A breakdown showing the level and percentage mix of each individual Director's remuneration paid/payable for FY2021 are as follows:				
	Remuneration Band	Salary or Fees	Performance Related Income/Bonuses	Other Benefits*	Total Remuneration

Corporate Governance Report

PRINCIPLE 9: RISK MANAGEMENT AND INTERNAL CONTROLS

The Board is responsible for the governance of risk and ensures that Management maintains a sound system of risk management and internal controls, to safeguard the interests of the company and its shareholders.

Provisions of the Code	DISA's Corporate Governance Practices
9.1 Board determines the nature and extent of risks	<p>The Board oversees Management in the area of risk management and internal control system. The Board regularly reviews and improves the Company's business and operational activities to identify areas of significant risks as well as takes appropriate measures to control and mitigate these risks.</p> <p>Management highlights and discusses (if any) salient risk management matters to the Board on a half-yearly basis. The Company's risk management framework and internal control system covers financial, operational, compliance and information technology risks and internal controls. The Board reviews the adequacy and effectiveness of the Company's risk management framework and internal control system annually. For FY2021, the internal audit of the Group was outsourced to a third-party professional firm. The ARMC evaluates the findings of the external and internal auditors on the Group's internal controls annually.</p> <p>Although the Board acknowledges that it is responsible for the overall internal control framework, it also recognises that no cost-effective internal control system will preclude all errors and irregularities. A system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.</p> <p>Based on the internal control policies and procedures established and maintained by the Group, and the continuous effort at enhancing such controls and procedures, and the regular audits, monitoring and reviews performed by the internal and external auditors, the Board, with the concurrence of the ARMC, is of the opinion that the Group has a robust and effective internal control system addressing financial, operational, compliance and information technology controls and risk management systems that is adequate and effective to meet the needs of the Group in its current business environment.</p> <p>The Board has also received assurance from the CEO and CFO:</p> <ul style="list-style-type: none">(a) that the financial records have been properly maintained and the financial statements for the financial year ended 30 June 2021 give a true and fair view of the Company's operations and finances; and(b) the Company's risk management and internal control systems including financial, operational, compliance and information technology controls, and risk management systems are adequate and effective. <p>The ARMC of the Company has been assisting the Board in carrying out, among other things, its responsibility of overseeing the Group's risk management framework and policies.</p>
9.2 Assurance from CEO, CFO and other key management personnel	

Corporate Governance Report

PRINCIPLE 10: AUDIT AND RISKS MANAGEMENT COMMITTEE

The Board has an Audit Committee ("AC") which discharges its duties objectively.

Provisions of the Code	DISA's Corporate Governance Practices
10.1 Duties of AC 10.2 Composition of AC	<p>The ARMC comprises three (3) members, all of whom are Non-Executive and Independent Directors. The composition of the ARMC is set out under Provisions 2.2 and 2.3 of this report. The profiles of the ARMC members are set out in the "Board of Directors" section of this annual report.</p> <p>The Board considers the members of the ARMC to be qualified to discharge the responsibilities of the ARMC as three (3) members of the ARMC, including the Chairman of the ARMC, have accounting or related financial management expertise or experience.</p> <p>The ARMC is authorised by the Board to investigate any activity within its terms of reference. It has unrestricted access to information relating to the Group, to both internal and external auditors and has full discretion to invite any Director or Executive Officer to attend its meetings. The ARMC has expressed power to commission investigations into any matters, which has or is likely to have material impact on the Group's operating results and/or financial position. The ARMC has adequate resources to enable it to discharge its responsibilities properly.</p> <p>The ARMC is regulated by its terms of reference and meets at least twice a year and as warranted by circumstances, to perform the following functions:</p> <ol style="list-style-type: none">(1) review significant financial reporting issues and judgements so as to ensure the integrity of the financial statements of the Company and any announcements relating to the Company's financial performance;(2) review of the external auditors' audit plan, audit report and their evaluation of the Group's systems of internal accounting controls;(3) review the scope and results of the external audit and its cost effectiveness;(4) review the co-operation given by the Management to the external auditors;(5) review and discuss with the external auditors any suspected fraud or irregularity, or suspected infringement of any law, rules or regulations, which has or is likely to have a material impact on the Company or the Group's results or financial position;(6) review the Group's financial results, external auditors' reports and the results announcements before submission to the Board for approval;(7) make recommendations and nominate external auditors for appointment and re-appointment and review their independence and objectivity;(8) approve the appointment, remuneration and terms of engagement of the external auditors and internal auditors;

Corporate Governance Report

Provisions of the Code

DISA's Corporate Governance Practices

- (9) review interested person transactions, if any, and potential conflict of interests;
- (10) review the adequacy of the Group's material internal controls (including financial, operational, compliance and information technology controls) and risk management policies as well as the effectiveness of the Group's internal audit function;
- (11) review the scope and results of the internal audit procedures;
- (12) review arrangements by which staff of the Group may, in confidence raise concerns about possible improprieties in matters of financial reporting or other matters, so as to ensure that arrangements are in place for the independent investigation of such matters and for appropriate follow up action; and
- (13) assist the Board in ensuring that the Management maintains a sound system of risk management and internal controls to safeguard shareholders' interest and the Company's assets, and to determine the nature and extent of significant risk which the Board is willing to take in achieving its strategic objectives.

Minutes of the ARMC meetings are regularly submitted to the Board for its information and review.

During the financial year under review, the fees paid to the external auditor of the Company and its member firms amounted to \$68,063. No non-audit service fee was paid to the external auditor of Company.

The ARMC has conducted a review and noted that there are no non-audit services provided by the external auditor of the Company and its member firms during FY2021 and is satisfied with the independence and objectivity of the external auditor of the Company. The ARMC constantly bears in mind the need to maintain a balance between the independence and objectivity of the external auditor of the Company and the work carried out by the external auditor of the Company based on value-for-money considerations. The external auditor of the Company has unrestricted access to the ARMC.

In addition, the ARMC has reviewed the adequacy of the resources, experience of the external auditor of the Company and of the audit engagement partner assigned to the audit. The ARMC is satisfied that the external auditors are able to meet their audit obligations. Accordingly, the Company has complied with Rule 712 of the Catalist Rules.

Both the ARMC and the Board have noted that there is no appointment of different auditing firms for its subsidiaries. Accordingly, the Company has complied with Rule 715 of the Catalist Rules.

The ARMC had recommended and the Board had approved the nomination to re-appoint Messrs Baker Tilly TFW LLP as the Company's external auditor for the next financial year ending 30 June 2022.

Corporate Governance Report

Provisions of the Code

DISA's Corporate Governance Practices

The Group has in place, a whistle-blowing policy where employees of the Group and the public can raise, in confidence, concerns about possible improprieties. Such a policy serves to encourage and provide a channel for staff to report in good faith and without fear of reprisals, concerns about possible improprieties in financial reporting or other matters to any member of the ARMC.

Details of the whistle-blowing policies and arrangements have been made available to all employees. Members of the public can also refer to the Company's website at <http://disa.sg/investors.html> for whistle-blowing arrangements. During the financial year under review, there was no report of any whistle-blowing incidents being made to the ARMC.

In FY2021, the ARMC has reviewed, with the Management and the external auditor, the results of the Group before submitting them to the Board for its approval and announcement of the financial results. The ARMC also reviewed and monitored the Group's financial condition, internal and external audit reports, exposure to risks and the effectiveness of the Group's system of accounting and internal controls.

The ARMC also monitors proposed changes in accounting policies, reviews the internal audit functions and discusses accounting implications of major transactions including significant financial reporting issues.

In its review of the financial statements for FY2021, the ARMC is of the view that the financial statements are fairly presented in conformity with the relevant Singapore Financial Reporting Standards (International) ("**SFRS(II)**") in all material aspects. In the review of the financial statements for FY2021, the ARMC had discussed with Management and the external auditors on significant issues and assumptions that impact the financial statements. In line with the recommendations by Accounting and Corporate Regulatory Authority, Monetary Authority of Singapore and SGX-ST, the ARMC helped to improve transparency and enhance the quality of corporate reporting by providing a commentary on Key Audit Matters ("**KAM**"). The ARMC reviewed the KAM and concurred and agreed with the external auditor and Management on their assessment, judgements and estimates on the significant matter reported by the external auditor.

Upon request by any ARMC member, the Company will sponsor him for any relevant regulatory update courses. The ARMC members also receive and discuss any accounting standards update from its external auditors, whenever material changes in accounting standards affecting the Group arise.

For FY2021, the external auditor of the Company presented to the ARMC the audit plan and updates relating to change of accounting standards which have a direct impact on the financial statements during the ARMC meetings. The adoption of new and/or revised accounting standards did not result in any substantial changes or significant impact on the Group's financial statements.

10.3 AC does not comprise former partners or directors of the Company's auditing firm

No ARMC member is a former partner or Director of the Company's external auditor.

10.4 Primary reporting line of the internal audit function is to AC; Internal audit function has unfettered access to Company's documents, records, properties and personnel

The size of the existing operations of the Group does not warrant the Group to have an in-house internal audit team. The Group has outsourced its internal audit function to TRS Forensics Pte Ltd ("**Internal Auditors**") to carry out internal audit review using a risk-based approach. The ARMC approves the hiring, removal, evaluation and compensation of the internal audit function.

The Internal Auditors has unfettered access to all the Company's documents, records, properties and personnel, including access to the ARMC.

TRS Forensics Pte Ltd is a technology-based professional services firm that specialises in the provision of risk advisory services including Internal Audit, Data Protection, Cybersecurity and Forensics Investigation. TRS Forensics Pte Ltd is a suitably appointed firm of risk consultants (including Certified Internal Auditors), with its processes guided by the International Standards for the Professional Practice of Internal Auditing set by the Institute of Internal Auditors. The firm currently maintains an outsourced internal audit portfolio of about 20 companies listed on the SGX-ST, Bursa-Malaysia and The Stock Exchange of Hong Kong in construction, property development, manufacturing, healthcare, logistics, engineering services, e-commerce and trading industries.

The engagement team for this engagement comprises a Director, a Manager and supported by two (2) internal auditors. The Director, Mr. Gary Ng, has more than 15 years of relevant experience whilst the Manager has more than 10 years of relevant experience.

The internal audit has been carried out in accordance with the International Standards for the Professional Practice of Internal Auditing set by The Institute of Internal Auditors.

The Internal Auditors plans its internal audit plan annually, following a risk assessment exercise, in consultation with, but independent of Management. The internal audit plan is submitted to the ARMC for approval prior to the commencement of the internal audit.

Internal audit reports are distributed to and discussed with the ARMC. The ARMC oversees and monitors the implementation of the improvements required for internal control weaknesses identified.

The ARMC has full access to and the co-operation of the Management and Internal Auditors, ensuring that the internal audit function is adequately and effectively resourced to perform its function.

10.5 The AC meets with the external auditors, and with the internal auditors, in each case without the presence of Management, at least annually.

For FY2021, the ARMC met with the external and internal auditors without the presence of the Management for the purpose of facilitating discussion of the responses by Management on audit matters. The ARMC has reviewed the findings of the auditors and the assistance given to the auditors by the Management.

Corporate Governance Report

PRINCIPLE 11: SHAREHOLDER RIGHTS AND CONDUCT OF GENERAL MEETINGS

The Company treats all shareholders fairly and equitably in order to enable them to exercise shareholders' rights and have the opportunity to communicate their views on matters affecting the Company. The Company gives shareholders a balanced and understandable assessment of the performance, position and prospects.

Provisions of the Code	DISA's Corporate Governance Practices
11.1 Company provides shareholders with the opportunity to participate effectively and vote at general meetings	The Group's corporate governance culture and awareness promotes fair and equitable treatment for all shareholders. All shareholders enjoy specific rights under the Companies Act and the Company's Constitution. All shareholders are treated fairly and equitably. The Group respects the equal information rights of all shareholders and is committed to the practice of fair, transparent and timely disclosure pertaining to changes in the Group or its business which would be likely to materially affect the price or trading of the Company's shares.
11.2 Separate resolution on each substantially separate issue	
11.3 All Directors and external auditors attend general meetings	
	Shareholders are given the opportunity to participate effectively and vote at general meetings of the Company. At general meetings, shareholders will be informed of the rules and voting procedures relating to the general meetings.
	Participation of shareholders is encouraged at the Company's general meetings. The Board (including the chairpersons of the respective committees), Management, as well as the external auditors, where applicable, are invited to attend the Company's general meetings to address any questions that shareholders may have. All Directors had attended the last annual general meeting of the Company held on 30 October 2020.
	All resolutions tabled in the general meetings are voted by poll, counted and validated by independent scrutineer and announcement of the detailed results of the general meetings will be released on the SGXNet after the general meetings.
	Each item of special business included in the notice of the general meetings is accompanied, where appropriate, by an explanation for the proposed resolution. Separate resolutions are proposed for each separate issue at the meeting.

Corporate Governance Report

Provisions of the Code	DISA's Corporate Governance Practices
11.4 Company's Constitution allows for absentia voting of shareholders	<p>The Company's Constitution does allow a shareholder (who is not the Central Depository (Pte) Limited; and who is also not a relevant intermediary, as defined in Section 181 of the Companies Act) to vote either in person or appoint not more than two (2) proxies to attend and vote in his stead. Such proxy to be appointed need not be a shareholder. A shareholder of the Company who is a relevant intermediary (as defined in Section 181 of the Companies Act), may appoint more than two (2) proxies to attend, speak and vote at the general meetings of the Company.</p> <p>As the authentication of Shareholder identity information and other related security issues still remain a concern, the Company has decided, for the time being, not to implement voting in absentia by mail or electronic means. In this connection, the Company has not amended its Constitution to provide for absentia voting methods. Voting in absentia and by electronic means may only be possible following careful study to ensure that integrity of the information and authentication of the identity of the shareholders through the electronic means is not compromised.</p>
11.5 Minutes of general meetings are published on the Company's corporate website	All minutes of general meetings, and a summary of the relevant questions and answers raised at general meetings are made available to shareholders on SGXNet or the Company's corporate website.
11.6 Dividend policy	The Company does not have a formalised dividend policy. The Board will need to further assess its on-going financial and operational requirements before arriving at any decision relating to the payment of dividends. No dividend was declared for FY2021 as the Company has incurred a loss in FY2021. Any dividend payouts will be clearly communicated to shareholders in public announcements and via announcements on the SGXNet when the Company discloses its financial results. Further, the Company will, in line with Rule 704(23) of the Catalist Rules, expressly disclose the reason(s) in the event that the Board decides not to declare or recommend a dividend, in its financial statement announcements.

Corporate Governance Report

PRINCIPLE 12: ENGAGEMENT WITH SHAREHOLDERS

The Company communicates regularly with its shareholders and facilitates the participation of shareholders during general meetings and other dialogues to allow shareholders to communicate their views on various matters affecting the Company.

Provisions of the Code	DISA's Corporate Governance Practices
12.1 Company provides avenues for communication between the Board and shareholders	The Board is mindful of the obligation to keep shareholders informed of all major developments that affect the Group in accordance with the Catalist Rules. Trade and price sensitive information is publicly released via the SGXNet.
12.2 and 12.3 Company has in place an investor relations policy and the policy sets out mechanism of communication between the shareholders and the Company	<p>Information is communicated to shareholders on a timely and non-selective basis through:</p> <ul style="list-style-type: none">• annual reports that are prepared and issued to all shareholders within the mandatory period;• public announcements via the SGXNet and the Company's corporate website; and• notices of shareholders' meetings on SGXNet and advertised in a newspaper in Singapore. <p>Shareholders are encouraged to attend and raise questions to the Directors at the Company's general meetings. At these meetings, shareholders are given the opportunity to voice their views and raise issues either formally or informally. These meetings provide excellent opportunities for the Board to engage with shareholders to solicit their feedback.</p> <p>The Company's website at http://disa.sg is another channel to solicit and understand the views of the shareholders.</p> <p>The Board provides shareholders with half-yearly and annual financial reports within the legally prescribed periods. Results for the first half-year financial period is released to shareholders within 45 days of the financial period-end. Annual results are released within 60 days of the financial year-end. In our financial result announcements to shareholders, the Board aims to provide shareholders with a balanced and understandable assessment of the Group's performance, position and prospects.</p> <p>To ensure compliance with legislative and regulatory requirements, including requirements under the Catalist Rules, the Board, through the Management, reviews the relevant compliance reports and ensure that the Management seeks the Board's approval of such reports or requirements.</p> <p>The Company has in place an investor relations policy to promote effective communications with shareholders, investors and the investment community in large. Shareholders and investors can reach the Company's investor relations team via investors@disa.sg.</p>

Corporate Governance Report

PRINCIPLE 13: ENGAGEMENT WITH STAKEHOLDERS

The Board adopts an inclusive approach by considering and balancing the needs and interests of material stakeholders, as part of its overall responsibility to ensure that the best interests of the Company are served.

Provisions of the Code	DISA's Corporate Governance Practices
13.1 and 13.2 Engagement with material stakeholder groups 13.3 Corporate website to engage stakeholders	The Company's approach towards its engagement with stakeholders, including arrangements to identify and engage with its material stakeholder groups and to manage its relationship with such groups, and its strategy and key areas of focus in relation to the management of stakeholder relationships, is set out under the "Stakeholder Engagement" heading in the "Sustainability Report" section of this annual report.

INTERNAL CODE ON DEALING IN SECURITIES

Rules of Catalyst	DISA's Corporate Governance Practices
Rule 1204(19) of the Catalyst Rules	<p>In line with Rule 1204(19) of the Catalyst Rules, the Company has adopted an internal code on dealing in the Company's securities. All Directors and officers of the Company are not allowed to deal in the Company's shares during the period commencing two (2) weeks before the announcement of the Company's financial statements for each of the first three quarters of its financial year and one (1) month before the announcement of the Company's full year financial statements (if the Company announces its quarterly financial statements, whether required by the SGX-ST or otherwise), or one (1) month before the announcement of the Company's half year and full year financial statements (if the Company does not announce its quarterly financial statements).</p> <p>In addition, all Directors and employees are required to observe insider trading laws at all times and are prohibited from trading whilst in possession of unpublished price- or trade-sensitive information of the Group. They are also discouraged from dealing in the Company's shares on short-term considerations.</p>

MATERIAL CONTRACTS

Rules of Catalyst	DISA's Corporate Governance Practices
Rule 1204(8) of the Catalyst Rules	Save for the service agreement entered into between the CEO and the Company, there were no other material contracts entered into by the Company and subsidiaries involving the interests of the CEO, each Director or controlling shareholder which were either subsisting at the end of the financial year or if not then subsisting, entered into since the end of the previous financial year.

JK Integrated (Pte. Ltd.) ("JK")

Mr. Toh was appointed director of JK on 18 November 2010. In 2014, JK faced cash-flow problems owing to complications relating to an incomplete development project. Despite Mr. Toh's efforts to help JK recover, he realised that he would not be able to fully discharge his duties as a director of JK, and he tendered his resignation on 27 October 2014. JK subsequently underwent compulsory winding-up owing to its failure to pay the claim of a supplier of building materials. The High Court ordered the compulsory winding-up of JK on 12 December 2014. There are no unsatisfied claims against Mr. Toh resulting from the compulsory winding-up of JK.

FDG Kinetic Limited ("FDGK")

Mr. Toh is a director of FDGK which is listed on the Stock Exchange of Hong Kong from 1 July 2008 to 30 April 2021. On 14 May 2020, a winding up petition was presented against FDGK for failure to pay the petitioner an outstanding debt and the accrued interest in an aggregate amount of HK\$68.8 million up to 24 March 2020 pursuant to a loan agreement entered into among the petitioner as lender, FDGK as borrower and the holding company of FDGK, FDG Electric Vehicles Limited, as guarantor dated 22 August 2018. Mr. Toh stepped down in April 2021 after the petitioner took over the control of the company and refreshed the board of FDGK with its own recommended directors. FDGK was subsequently ordered to be wound up on 6 September 2021 by the High Court of Hong Kong. There are no unsatisfied claims against Mr. Toh resulting from the compulsory winding-up of FDGK.

Sustainability Report

1 BOARD STATEMENT

The Group affirms our commitment to sustainability with the publication of our sustainability report ("**Report**"). For this Report, we provide insights into the way we do business, while highlighting our environmental, social, governance ("**ESG**") factors and economic performance.

Whilst mindful of our profit-oriented objective, we are committed to strike a balance between sustainable growth, profit, governance, environment, the development of our people and well-being of our communities to secure the long-term future of our Group. This commitment is reflected in our sustainable business strategy and the material ESG factors which are shown in this Report.

A sustainability policy ("**SR Policy**") covering our sustainability strategies, reporting structure, materiality assessment and processes in identifying and monitoring material ESG factors has been established and serves as a point of reference in the conduct of our sustainability reporting. Under this SR Policy, we will continue to monitor, review and update our material ESG factors from time to time, taking into account the feedback that we receive from our engagement with our stakeholders, organisational and external developments.

2 REPORTING FRAMEWORK

This Report has been prepared in accordance with the GRI Standards: Core option and in accordance with Rules 711(A) and 711(B) of the Listing Manual Section B: Rules of Catalist of the Singapore Exchange Securities Trading Limited ("**SGX-ST**") (the "**Catalist Rules**"). We have chosen to report using GRI Standards: Core option as it is an internationally recognised reporting framework. We have not sought external assurance for this Report.

3 REPORTING PERIOD AND SCOPE

This Report focuses on the Group's sustainability efforts and strategies for our financial year from 1 July 2020 to 30 June 2021 ("**FY2021**" or "**Reporting Period**"). A sustainability report will be published annually in accordance with our SR Policy.

As the Group is mainly focused on the Technology business segment, this Report covers the sustainability practices and performances for the key operating entities within the Group under the Technology business segment which contributed 100% (FY2020: 92%) of the Group's total revenue for the reporting period.

4 FEEDBACK

We welcome feedback from all stakeholders on this Report. You may send related questions, comments, suggestions or feedback to our investor relations email account: investors@disa.sg

Sustainability Report

5 STAKEHOLDER ENGAGEMENT

Our efforts on sustainability are focused on creating sustainable value for our key stakeholders, which comprise customers, employees, partners, regulators and shareholders. Key stakeholders are determined for each material factor identified, based on the extent of which they can affect or are affected by our operations. It is crucial to include and align the needs of these stakeholders in our business decisions so that we can better strengthen our relationships with them.

We actively engage our key stakeholders through the following channels:

S/N	Key stakeholders	Engagement channel
1	Customers	Communication channels, both formal and informal, are established between our customers and the Group across all key departments and staff levels.
2	Employees	Senior management holds regular communication sessions with employees to obtain feedback and alignment of business goals across all levels of workforce. Such communication channels include emails and staff evaluation sessions where employees can pose questions in person.
3	Partners	Our solutions are deployed on consumer products sold at retail stores to protect the retailers from theft and return fraud. As such, we work closely with retailers, as our partners, to ensure effectiveness of our solutions. Communication channels, both formal and informal, are established between our partners and the Group across all key departments and staff levels.
4	Regulators	We participate in consultations and briefing organised by key regulatory bodies such as SGX-ST so as to furnish feedback on proposed regulatory changes that impact our business.
5	Shareholders	We convey timely, full and credible information to shareholders through announcements on SGXNET, investor relations email account investors@disa.sg , annual general meetings, annual reports, and other channels such as business publications and investors' relation events.

Through the above channels, we seek to understand the views of key stakeholders, communicate effectively with them and respond to their concerns.

6 POLICY, PRACTICE AND PERFORMANCE REPORTING

6.1 Reporting Structure

Our sustainability strategy is developed and directed by the Group's senior management in consultation with the Board of Directors. The Group's Sustainability Committee, which includes senior management executives, is led by our Chief Executive Officer, and is tasked to develop the sustainability strategy, review our material impacts, consider stakeholder priorities and set goals and targets, as well as collect, verify, monitor and report performance data for this Report.

Sustainability Report

6.2 Sustainability Reporting Processes

Under our SR policy, our sustainability process begins with the identification of relevant factors. Relevant factors are then prioritised as material factors which are then validated with data. The end result of this process is a list of material factors disclosed in this Report. Processes involved are as shown in the chart below:

IDENTIFICATION

Identification of the material factors that are relevant to the Group's activities and data points for performance reporting

PRIORITISATION

Prioritisation of the material factors and identification of key sustainability factors to be reported

VALIDATION

Validation involves the verification of information and data gathered on material factors and the performance of an assessment on the completeness of key sustainability factors to finalise the content of the sustainability report

REVIEW

Monitor, review and update the material factors from the previous reporting period, taking into account the feedback received from the engagement with stakeholders as well as organisational and external developments

Sustainability Report

6.3 Materiality Assessment

Under our SR Policy, the materiality assessment is reviewed annually and each sustainability factor is assigned a reporting priority that determines the actions required as illustrated in the table below:

Reporting priority	Description	Criteria
I	High	Factors with high reporting priority are reported on in detail.
II	Medium	Factors with medium reporting priority are considered for inclusion in the Report. If it is decided that such factors are not material, they may be excluded from the Report.
III	Low	Factors with low reporting priority may be reported to fulfil regulatory or other reporting requirements. They are not included in this Report if not material.

The reporting priority is supported by a material factor matrix. Under this matrix, each factor identified is ranked by assigning scores based on low, medium and high for the level of concern to external stakeholders and the potential impact on business.

7 MATERIAL FACTORS

Our materiality assessment performed for FY2021 involved the Group's senior management in identifying sustainability factors deemed material to our businesses and stakeholders so as to allow the Group to channel our resources judiciously to create sustainable value for our stakeholders. Presented below are a list of material sustainability factors applicable to our Group:

S/N	Material factor	Reporting priority	Key stakeholders
Social			
1	Employee retention	I	Employees
2	Equality and diversity in the workplace	II	Employees
Economic			
3	Sustainable business performance	II	Customers, Partners, Shareholders
4	Proactive anti-corruption practices	II	Shareholders, Regulators
Governance			
5	Robust corporate governance framework	II	Regulators

We will review and update the material factors on an annual basis to reflect changes in business operations, environment, stakeholder's feedback and sustainability trends. The details of each material factor are presented as follows:

Sustainability Report

7.1 Employee Retention

The success of our business pivots on a team of skilled and experienced staff supervised by experienced and knowledgeable managers. Accordingly, we are committed to employee retention through the following efforts:

- Establishing procedures and guidance to recruit and promote employees based on merit and competency; and
- Staff assessment is performed regularly to evaluate the performance of employees and employees could express their views and provide feedback.

A low turnover improves the sustainability of our business. As at 30 June 2021, the total number of employees under the Group stands at 14 (including 7 managers) (FY2020: 20 (including 11 managers)) with approximately 29% (FY2020: 20%) of the employees and 43% (FY2020: 27%) of the managers having more than 5 years of service in the Group. Lower employees' and managers' headcounts as at 30 June 2021 as we continue to streamline our business structure to improve operational efficiency. The breakdown of employees and managers by the years of service are as follows:

We expect the percentage of employees (including managers) with long service to increase as our business grows.

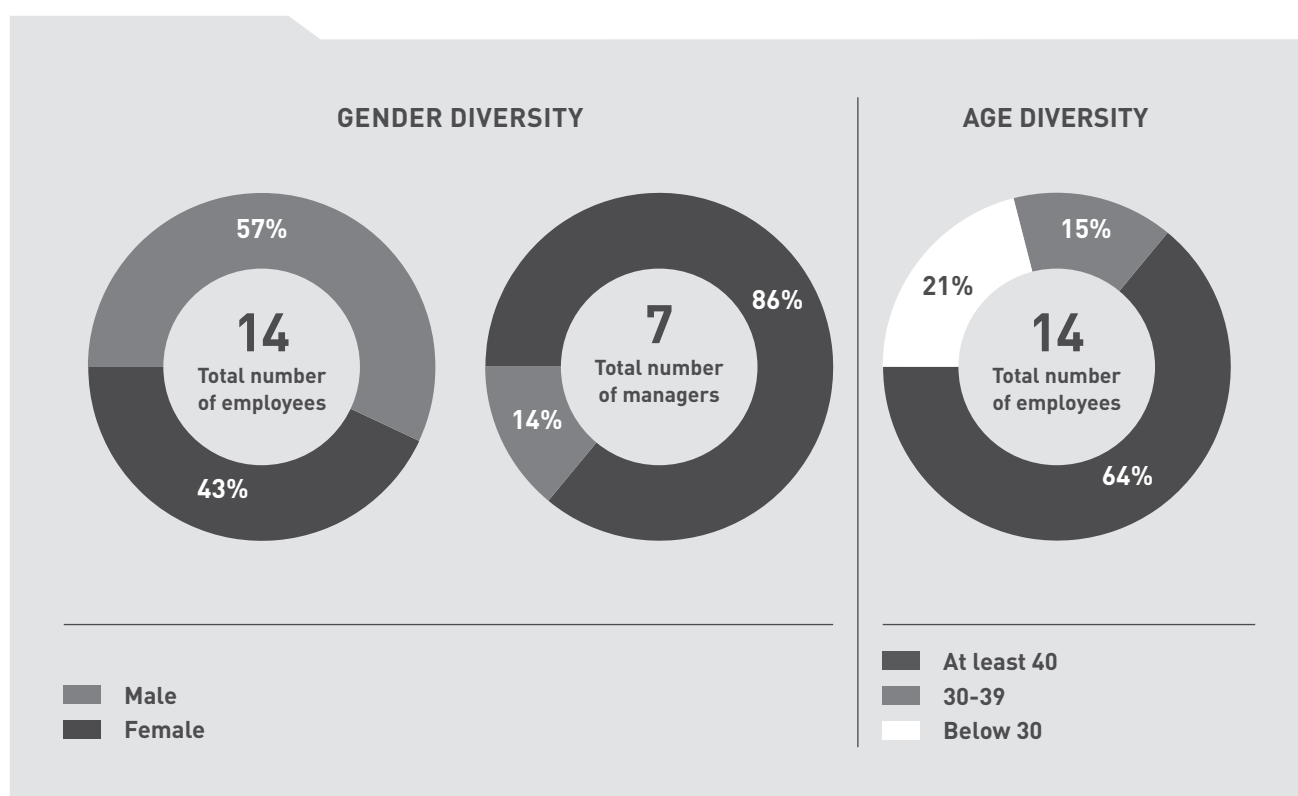

Sustainability Report

7.2 Equality and Diversity in the Workplace

We are committed to diversity and equal opportunity in employment to grow our human capital. Accordingly, we strive to provide a work environment for our employees that fosters fairness, equity and respect for social and cultural diversity, regardless of their gender, age or educational background.

On gender diversity, the percentage of female to total employees was 43% (FY2020: 40%), with about 14% (FY2020: 27%) of our managers being female as at 30 June 2021.

On age diversity, matured workers are valued for their experience knowledge and skills. As at 30 June 2021, 64% (FY2020: 65%) of our employees under the Technology business segment was at least 40 years old.

On diversity in educational background, given the technological nature of the business segment, all of our employees are tertiary educated as at 30 June 2021. The distribution of staff by educational level is as follows:

Education qualification	FY2021	FY2020
Tertiary	100%	100%
Non-tertiary	0%	0%
Total	100%	100%

To promote equal opportunity, we have put in place the following measures:

- A human resource policy is in place to recruit employees based on merit and competency.
- For staff recruitment, emphasis is placed on ensuring advertisements do not state age, race, gender or religion as a preference or requirement.

Sustainability Report

7.3 Sustainable Business Performance

We believe in creating long-term economic value for our shareholders as well as key stakeholders by adopting responsible business practices and growing business in a sustainable manner.

Our asset protection solutions are deployed on consumer products sold at retail stores to protect the retailers and their suppliers from theft and return fraud. The Group continues to expand and sell semiconductor devices as an extended service to existing and new customers during FY2021.

With our ongoing efforts to gain acceptance from retailers and their suppliers, our Technology segment registered a record revenue of SGD 19,401,000 in FY2021 (FY2020: SGD 6,076,000) and this has contributed to an increase of 192.3% in the Group's revenue from SGD 6,637,000 in FY2020 to SGD 19,401,000 in FY2021. Excluding one-off expenses of SGD 205,000 from write-off of office renovation cost in FY2021 and SGD 8,157,000 from loss on disposal of subsidiaries and impairment gain on financial assets in FY2020, the adjusted net loss of the Group narrowed to SGD 2,960,000 in FY2021 from SGD 5,511,000 in FY2020.

Details of the Group's economic performance can be found in our Annual Report.

7.4 Proactive Anti-Corruption Practices

We are committed to carrying out our business with integrity by avoiding corruption in any form, including bribery, and complying with the prevention of corruption act of Singapore.

We have in place a whistle blowing policy to provide a mechanism for employees and the public to raise concerns through an accessible confidential disclosure channel, via a dedicated email account, about possible improprieties in matters of financial reporting and others. An employee handbook is in place to provide guidance to employees on proper conducts and reflect the culture of our Group.

During the reporting period, no serious offence¹ was reported (FY2020: zero incident).

7.5 Robust Corporate Governance Framework

We are committed to high standards of corporate governance and believe that a high standard of corporate governance is integral in ensuring sustainability of the Group's business as well as safeguarding shareholders' interests and maximising long-term shareholder's value.

The Board and the Management believe that our quest for good governance lies in putting in place an effective framework of risk management and internal controls. Refer to the Corporate Governance Report of our Annual Report for details of our corporate governance practices.

¹ A serious offence is defined as one that involves fraud or dishonesty amounting to not less than SGD 100,000 and punishable by imprisonment for a term of not less than 2 years which is being or has been committed against the company by officers or employees of the company.

Sustainability Report

7.6 Environmental

As a technology company, we are primarily providing asset protection solutions to our customers. Accordingly, our impact on the environment, after assessing the level of concern to external stakeholders and potential impact on business, is deemed not to be a material sustainability factor. Nonetheless, we constantly track and control our resource consumption which comprises mainly electricity and water.

8 TARGET SETTING

For our material factors identified, we have listed our achievements in FY2021 as follows:

S/N	Material factor	Target for FY2021	FY2021 Achievement
1	Employee retention	Improve or maintain employee retention rate	Total number of employees under the Technology business segment stands at 14 (including 7 managers) in FY2021 (FY2020: 20 (including 11 managers)).
2	Equality and diversity in the workplace	Move towards a more balanced gender, age and educational diversity ratio	<p>The percentage of female employees increased by 3% from 40% in FY2020 to 43% in FY2021.</p> <p>As at 30 June 2021, 64% (FY2020: 65%) of the employees under the Technology business segment was at least 40 years old.</p> <p>All of the employees are tertiary educated as at 30 June 2021 (FY2020: 100%).</p>
3	Sustainable business performance	Improve our financial performance	Revenue increased by 192.3% from SGD 6,637,000 in FY2020 to SGD 19,401,000 in FY2021 and net loss, excluding the one-off expenses of SGD 205,000 (FY2020: SGD 8,157,000), reduced from SGD 5,511,000 in FY2020 to SGD 2,960,000 in FY2021.
4	Proactive anti-corruption practices	Maintain zero incident of serious offence	Zero incident of serious offence reported for FY2021 (FY2020: zero incident).

We have set the same targets above for FY2022.

PERFORMANCE SHARES

DISA Performance Share Scheme (the "DISA PS Scheme")

The DISA PS Scheme was approved and adopted by members of the Company at an EGM held on 31 October 2008. The DISA PS Scheme had expired on 26 October 2018 and continued with shareholders' approval at an annual general meeting held on 26 October 2018, for a further period of 10 years from 26 October 2018 ("Date of Renewal") to (and including) 25 October 2028. The DISA PS Scheme is administered by the DISA PS Scheme Committee. The members of the committee at the end of financial year and at the date of this statement are:

Toh Hock Ghim	Chairman, Non-Executive Director
Chng Weng Wah	Executive Director
Lau Kay Heng	Non-Executive Director

Selected employees of the Group, Executive Directors and Non-Executive Directors of the Company and Directors who are also controlling shareholders of the Company and their associates ("Participants") are eligible to participate in this DISA PS Scheme. However, participation of and grant of awards to controlling shareholders of the Company and/or their associates will be subject to specific shareholders' approval.

The Company has the flexibility to either issue and deliver new shares of the Company, or purchase and deliver existing shares of the Company to Participants upon the vesting of the awards.

Participants will receive fully paid shares of the Company, provided that certain prescribed performance targets are met within a prescribed period.

A Participant's award of ordinary shares in the share capital of the Company ("Award Shares") under the DISA PS Scheme (the "Award") will be determined at the sole discretion of the DISA PS Scheme Committee, which will oversee and administer the DISA PS Scheme.

During the financial year, no awards were granted under the DISA PS Scheme (2020: Nil).

Information regarding the DISA PS Scheme is set out below:

- 1) The aggregate number of Award Shares to be delivered to the vesting of the Awards on any date, when added to the number of shares issued and/or issuable under such other share-based incentive schemes (including the DISA ESOS) of the Company shall not exceed 15% of the issued shares of the Company on the day preceding that date.
- 2) The aggregate number of Award Shares available to eligible controlling shareholders and their associates under the DISA PS Scheme shall not exceed 25% of the Shares available under this DISA PS Scheme. In addition, the number of Award Shares available to each such controlling shareholder or his associate shall not exceed 10% of the Shares available under this DISA PS Scheme.
- 3) The DISA PS Scheme shall continue to be in force at the discretion of the DISA PS Scheme Committee, subject to a maximum period of 10 years commencing on the Date of Renewal (expiring on 25 October 2028) of the DISA PS Scheme, provided always that the DISA PS Scheme may continue beyond the above stipulated period with the approval of the Company's shareholders by ordinary resolution in general meeting and of any relevant authorities which may then be required.

AUDIT AND RISKS MANAGEMENT COMMITTEE

The members of the Audit and Risks Management Committee during the financial year and at the date of this statement are:

Lau Kay Heng	Chairman, Non-Executive Director
Toh Hock Ghim	Non-Executive Director
Lim Soon Hock	Non-Executive Director

The Audit and Risks Management Committee carried out its functions specified in Section 201B(5) of the Companies Act. Their functions are detailed in the Report on Corporate Governance.

In performing its functions, the Audit and Risks Management Committee met with the Company's independent and internal auditors to discuss the scope of their work, the results of their examination and evaluation of the Company's internal accounting control system.

The Audit and Risks Management Committee also reviewed the following:

- (a) the audit plan and results of the external audit, including the evaluation of internal accounting controls and its cost effectiveness, and the independence and objectivity of the independent auditor, including the review of the extent of non-audit services provided by the independent auditor to the Group;
- (b) the audit plans of the internal auditors of the Group and their evaluation of the adequacy of the Group's system of internal accounting controls;
- (c) Group's half-yearly and annual financial statements and the independent auditor's report on the annual financial statement of the Group and of the Company before their submission to the Board of Directors;
- (d) the half-yearly and annual announcements as well as the related press releases on the results of the Group and financial position of the Group and of the Company;
- (e) the adequacy of the Group's risk management processes;
- (f) the Group's compliance with legal requirements and regulations, including the related compliance policies and programmes and reports received from regulators, if any;
- (g) interested person transactions in accordance with SGX listing rules;
- (h) nomination of independent auditor and approval of their compensation; and
- (i) submission of report of actions and minutes of the audit and risks management committee to the Board of Directors with any recommendations as the audit and risks management committee deems appropriate.

The Audit and Risks Management Committee is satisfied with the independence and objectivity of the independent auditor and has recommended to the Board of Directors that Baker Tilly TFW LLP be nominated for re-appointment as independent auditor of the Company at the forthcoming Annual General Meeting.

Independent Auditor's Report

To the members of Disa Limited

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Qualified Opinion

We have audited the accompanying financial statements of DISA Limited (the "Company") and its subsidiaries (the "Group") as set out on pages 77 to 142, which comprise the statements of financial position of the Group and of the Company as at 30 June 2021, and the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows of the Group and the statement of changes in equity of the Company for the financial year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying consolidated financial statements of the Group and the statement of financial position and statement of changes in equity of the Company are properly drawn up in accordance with the provisions of the Companies Act, Chapter 50 (the "Act") and Singapore Financial Reporting Standards (International) ("SFRS(I)") so as to give a true and fair view of the consolidated financial position of the Group and the financial position of the Company as at 30 June 2021 and of the consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group and of the changes in equity of the Company for the financial year ended on that date.

Basis for Qualified Opinion

Non-consolidation of EIKA (Singapore) Pte. Ltd. and its subsidiary ("EIKA Group")

The independent auditor's report on the consolidated financial statements of the Group and the statement of financial position and statement of changes in equity of the Company for the financial year ended 30 June 2019 included a disclaimer of opinion on the non-consolidation of EIKA Group. During our audit for the financial year ended 30 June 2020, we were unable to obtain sufficient information for us to ascertain whether the Group had control over EIKA Group. Accordingly, we were unable to determine whether EIKA Group should have been consolidated in the consolidated financial statements of the Group for the financial year ended 30 June 2019. During the financial year ended 30 June 2020, the Company completed the transfer of its shareholdings in EIKA to a non-related party.

In view of the matter described above, since the opening balances as at 1 July 2019 enter into the determination of the financial performance, changes in equity and cash flows of the Group for the financial year ended 30 June 2020, we were unable to determine whether adjustments might have been found necessary in respect of the consolidated statement of comprehensive income, statement of changes in equity and statement of cash flows of the Group for the financial year ended 30 June 2020.

Our opinion on the current year's financial statements is also modified because of the possible effects of the matter on the comparability of the current year's figures and the corresponding figures.

We conducted our audit in accordance with Singapore Standards on Auditing ("SSAs"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Group in accordance with the Accounting and Corporate Regulatory Authority ("ACRA") *Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities* ("ACRA Code") together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS (CONT'D)

Other Information

Management is responsible for the other information. The other information comprises the information included in the directors' statement and the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. Because of the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, we are unable to conclude whether or not the other information is materially misstated with respect to the matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the *Basis for Qualified Opinion* section, we have determined the matter described below to be the key audit matter to be communicated in our report.

Impairment assessment of investment in subsidiaries (Company level)

At 30 June 2021, the carrying amount of the Company's investment in subsidiaries which comprise investment in Disa Digital Safety Pte. Ltd. and its subsidiaries ("DDSPL subgroup") is \$Nil. Where there are indicators of impairment or indicators that impairment loss recognised in prior periods may no longer exist or may have decreased, the Company performs an impairment assessment to determine the recoverable amount, which is the higher of value in use and fair value less costs of disposal of the asset. Where value in use calculations are undertaken, management is required to estimate the future cash flows expected from subsidiaries, a suitable discount rate and consider implications of the COVID-19 on the assumptions. These key inputs and assumptions were estimated by management based on prevailing market, economic and other conditions at the end of the reporting period. Given the significant level of judgement and estimation involved, we identified this to be a key audit matter.

The key assumptions used in the impairment assessment are disclosed in Notes 3 and 13 to the financial statements.

Our procedures to address the key audit matter

We evaluated management's assessment of the recoverable amount of investment in DDSPL subgroup and the process by which they were developed. We assessed the reasonableness of key assumptions applied in the value in use calculations, including management's consideration of impact of the COVID-19 on key assumptions, by comparing the forecasts to historical data and performance, existing contracts and other relevant documents. We also reviewed whether forecasted cash flows for prior year were achieved to assess reliability of management's forecast. We involved our valuation specialists in assessing the reasonableness of the discount rates used. We recomputed the comparison between the recoverable amount based on the higher of the fair value less costs of disposal and the value in use calculation, and the carrying amount of the investment. We have also assessed the adequacy and appropriateness of the disclosures made in the financial statements.

Independent Auditor's Report

To the members of Disa Limited

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS (CONT'D)

Responsibilities of Management and Directors for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and SFRS(I), and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

Independent Auditor's Report

To the members of Disa Limited

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS (CONT'D)

Auditor's Responsibilities for the Audit of the Financial Statements (cont'd)

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We described these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section, the accounting and other records required by the Act to be kept by the Company and by the subsidiary corporation incorporated in Singapore of which we are the auditors have been properly kept in accordance with the provisions of the Act.

The engagement partner on the audit resulting in this independent auditor's report is Guo Shuqi.

Notes To The Financial Statements

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

1 CORPORATE INFORMATION

The Company (Co. Reg. No. 197501110N) is incorporated and domiciled in Singapore and is listed on the Catalist of the Singapore Exchange Securities Trading Limited ("SGX-ST"). The address of its registered office is at 120 Lower Delta Road, #03-15 Cendex Centre Singapore 169208.

The principal activity of the Company is that of investment holding. The principal activities of its subsidiaries are disclosed in Note 13.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Basis of preparation

The financial statements are presented in Singapore Dollar ("S\$"), which is the Company's functional currency and all financial information presented in Singapore dollar are rounded to the nearest thousand ("S\$'000") except when otherwise indicated. The financial statements have been prepared in accordance with the provisions of the Companies Act, Chapter 50 (the "Act") and Singapore Financial Reporting Standards (International) ("SFRS(I)"). The financial statements have been prepared under the historical cost convention except as disclosed in the accounting policies below.

The preparation of financial statements in conformity with SFRS(I) requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the financial year. Although these estimates are based on management's best knowledge of current events and actions and historical experiences and various other factors that are believed to be reasonable under the circumstances, actual results may ultimately differ from those estimates.

The Company's separate financial statements have been prepared on the same basis, and as permitted by the Act, the Company's separate statement of comprehensive income is not presented.

Use of estimates and judgements

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The areas involving a higher degree of judgement in applying accounting policies, or areas where assumptions and estimates have a significant risk of resulting in material adjustment within the next financial year are disclosed in Note 3.

The carrying amounts of cash and cash equivalents, trade and other current receivables, other current assets and payables approximate their respective fair values due to the relatively short-term maturity of these financial instruments.

Notes To The Financial Statements

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

a) Basis of preparation (cont'd)

New and revised standards

In the current financial year, the Group has adopted all the new and revised SFRS(I) and SFRS(I) Interpretations ("SFRS(I) INT") that are relevant to its operations and effective for the current financial year. In addition, the Group has also early adopted the Amendment to SFRS(I) 16 *COVID-19-Related Rent Concessions*. Changes to the Group's accounting policies have been made as required, in accordance with the transitional provisions in the respective SFRS(I) and SFRS(I) INT.

The adoption of these new/revised SFRS(I) and SFRS(I) INT did not have any material effect on the financial results or position of the Group.

During the financial year, the Group has elected to early adopt the Amendment to SFRS(I) 16 *COVID-19-Related Rent Concessions* which provided practical relief for lessees in accounting for rent concessions. Under the practical expedient, the lessees are not required to assess whether a rent concession is a lease modification and instead are permitted to account for them as if they were not lease modifications, if all of the following conditions are met:

- (i) the change in lease payments results in revised consideration for the lease that is substantially the same as, or less than, the consideration for the lease immediately preceding the change;
- (ii) any reduction in lease payments affects only payments originally due on or before 30 June 2021; and
- (iii) there is no substantive change to other terms and conditions of the lease.

The Group has elected to apply this practical expedient to all leases. As a result of applying the practical expedient, rent concessions of \$7,200 was recognised as negative variable lease payments (i.e. recognised as other income) in the profit or loss during the year. The amendment has no impact on accumulated losses at 1 July 2020.

New and revised standards not yet effective

New standards, amendments to standards and interpretations that have been issued at the end of the reporting period but are not yet effective for the financial year ended 30 June 2021 have not been applied in preparing these financial statements. None of these are expected to have a significant effect on the financial statements of the Group.

b) Revenue recognition

Sale of goods

Sale of asset protection codes, trading of semiconductor devices and ultraviolet ("UV") disinfection devices are recognised at a point in time when the goods have been delivered and control of the goods has transferred to its customer, and there is no unfulfilled obligation that could affect the customer's acceptance of the products.

Notes To The Financial Statements

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

b) Revenue recognition (cont'd)

Sale of goods (cont'd)

Goods are sold to customers where there is no right of returns. Sales to customers are made with a credit term of cash-on-delivery to 90 days, which is consistent with market practice. No element of financing is deemed present.

A receivable is recognised when the goods are delivered as this is the point in time that the consideration is unconditional because only the passage of time is required before the payment is due. Where there is advance billing to customer, a contract liability is recognised for billing in excess of revenue recognised.

Rendering of services – maintenance, consultancy and energy management services

Maintenance services are recognised as a performance obligation satisfied over time. The Group is compensated for maintenance services through a fee earned based on the promised consideration in the relevant agreements. All these services represent a series of distinct monthly services rendered over time and such services are recognised as a performance obligation satisfied over time as the Group transfers the benefit of the services to the customer as it performs. Consistent with the transfer of control for distinct and daily services to the customer, revenue is recognised at the end of each period for the fees associated with the services performed.

Consultancy and energy management are recognised as a performance obligation satisfied over time as the Group transfers benefits of the services to the customer as it performs. Revenue is recognised for these services based on the stage of completion of the contract. Management has assessed that the stage of completion based on the actual contract costs incurred by the Group to date as a proportion of total budgeted costs for the project is an appropriate measure of progress towards complete satisfaction of these performance obligation under SFRS(I) 15 *Revenue from Contracts with Customers*.

Interest income

Interest income is recognised using the effective interest method.

Rental income

Rental income from operating leases are recognised on a straight-line basis over the lease term. Finance income from finance leases is recognised based on a constant periodic rate of return over the lease term using the net investment method.

Lease incentives granted are recognised as an integral part of the total rental income, over the term of the lease.

c) Subsidiaries

Subsidiaries are entities controlled by the Group. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity.

In the Company's statement of financial position, investment in subsidiaries are accounted for at cost less accumulated impairment losses, if any. On disposal of the investment, the difference between disposal proceeds and the carrying amounts of the investments are recognised in profit or loss.

Notes To The Financial Statements

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

d) Basis of consolidation

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at the end of the reporting period. Subsidiaries are consolidated from the date on which the Group obtains control, and continue to be consolidated until the date that such control ceases.

The financial statements of the subsidiaries are prepared for the same reporting date as the parent company. Consistent accounting policies are applied for like transactions and events in similar circumstances.

Intragroup balances and transactions, including income, expenses and dividends, are eliminated in full. Profits and losses resulting from intragroup transactions that are recognised in assets, such as inventory and property, plant and equipment, are eliminated in full.

Business combinations are accounted for using the acquisition method. The consideration transferred for the acquisition comprises the fair value of the assets transferred, the liabilities incurred and the equity interests issued by the Group. The consideration transferred also includes the fair value of any contingent consideration arrangement and the fair value of any pre-existing equity interest in the subsidiary. Acquisition-related costs are recognised as expenses as incurred. Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at their fair values at the acquisition date.

Any excess of the fair value of the consideration transferred in the business combination, the amount of any non-controlling interest in the acquiree (if any) and the fair value of the Group's previously held equity interest in the acquiree (if any), over the fair value of the net identifiable assets acquired is recorded as goodwill. Goodwill is accounted for in accordance with the accounting policy for goodwill stated in Note 2(e). In instances where the latter amount exceeds the former and the measurement of all amounts has been reviewed, the excess is recognised as gain from bargain purchase in profit or loss on the date of acquisition.

Non-controlling interests are that part of the net results of operations and of net assets of a subsidiary attributable to the interests which are not owned directly or indirectly by the equity holders of the Company. They are shown separately in the consolidated statement of comprehensive income, statement of changes in equity and statement of financial position.

Total comprehensive income is attributed to the non-controlling interests based on their respective interests in a subsidiary, even if this results in the non-controlling interests having a deficit balance.

For non-controlling interests that are present ownership interests and entitle their holders to a proportionate share of the acquiree's net assets in the event of liquidation, the Group elects on an acquisition-by-acquisition basis whether to measure them at fair value, or at the non-controlling interests' proportionate share of the acquiree's net identifiable assets, at the acquisition date. All other non-controlling interests are measured at acquisition-date fair value or, when applicable, on the basis specified in another standard.

When a change in the Company's ownership interest in a subsidiary results in a loss of control over the subsidiary, the assets and liabilities of the subsidiary including any goodwill, non-controlling interest and other components of equity related to the subsidiary are derecognised. Amounts recognised in other comprehensive income in respect of that entity are also reclassified to profit or loss or transferred directly to retained earnings if required by a specific SFRS(I).

Any retained equity interest in the previous subsidiary is remeasured at fair value at the date that control is lost. The difference between the carrying amount of the retained interest at the date control is lost, and its fair value is recognised in profit or loss.

Notes To The Financial Statements

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

e) Intangible assets

(i) Goodwill

Goodwill is initially measured at cost and is subsequently measured at cost less any accumulated impairment losses.

The Group tests goodwill annually for impairment, or more frequently if there are indications that goodwill might be impaired.

For the purpose of impairment testing, goodwill is allocated to each of the Group's cash-generating units expected to benefit from the synergies of the combination. Cash-generating units to which goodwill has been allocated are tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash-generating unit is less than the carrying amount of the unit, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro-rata on the basis of the carrying amount of each asset in the unit. An impairment loss recognised for goodwill is not reversed in subsequent periods.

On disposal of a subsidiary, the attributable amount of goodwill is included in the determination of the profit or loss on disposal.

(ii) Other intangible assets

Intangible assets acquired separately are measured on initial recognition at cost, which includes the purchase price and other directly attributable cost of preparing the asset for its intended use. Intangible assets acquired in a business combination are recognised separately from goodwill and are initially measured at their fair values at the date of acquisition.

Intangible assets with a finite useful life are amortised on a straight-line basis over their estimated useful lives. The amortisation period and the amortisation method for an intangible asset with a finite useful life is reviewed at least at each reporting date. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset is accounted for by changing the amortisation period or method, as appropriate, and treated as changes in accounting estimates. The amortisation expense on intangible asset with a finite useful life is recognised in profit or loss in the expense category consistent with the function of the intangible asset.

Intangible assets are tested for impairment whenever there is any objective evidence or indication that these assets may be impaired.

For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less costs of disposal and the value in use) is determined on an individual asset basis unless the asset does not generate cash inflows that are largely independent of those from other assets. If this is the case, the recoverable amount is determined for the CGU to which the asset belongs.

Notes To The Financial Statements

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

e) Intangible assets (cont'd)

(ii) Other intangible assets (cont'd)

The estimated useful lives are as follows:

	Years
Core technology	16
Development costs	5

Core technology

The core technology was acquired in a business combination and is amortised on a straight-line basis over its finite useful life.

Development costs

Research costs are recognised as expenses when incurred. Deferred development costs arising from development expenditures on an individual project are recognised as an intangible asset when the Group can demonstrate the technical feasibility of completing the intangible asset so that it will be available for use or sale, its intention to complete and its ability to use or sell the asset, how the asset will generate future economic benefits, the availability of resources to complete and the ability to measure reliably the expenditures during the development. Following initial recognition of the deferred development costs as an intangible asset, it is carried at cost less accumulated amortisation and any accumulated impairment losses. Amortisation of the intangible asset begins when development is complete and the asset is available for use.

f) Club membership

Club membership is stated at cost less accumulated impairment losses.

g) Property, plant and equipment

Property, plant and equipment are initially recognised at cost and subsequently carried at cost less accumulated depreciation and any impairment in value.

The cost of property, plant and equipment initially recognised includes its purchase price and any cost that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Dismantlement, removal or restoration costs are included as part of the cost of property, plant and equipment if the obligation for dismantlement, removal or restoration is incurred as a consequence of acquiring or using the asset.

The cost of replacing a component of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the component will flow to the Group, and its cost can be measured reliably. The carrying amount of the replaced component is derecognised.

On disposal of an item of property, plant and equipment, the difference between the net disposal proceeds and its carrying amount is taken to profit or loss.

Notes To The Financial Statements

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

g) Property, plant and equipment (cont'd)

Depreciation of right-of-use assets is calculated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the asset. If ownership of the leased asset transfers to the Group at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. Depreciation for other items of property, plant and equipment is calculated on a straight-line basis to allocate the depreciable amount of property, plant and equipment over their expected useful lives. The estimated useful lives are as follows:

	Years
Furniture and fittings and renovation	5
Other equipment	3
Motor vehicles	5
Leasehold properties	Over the lease term of 1 to 3 years

The residual values, estimated depreciation rates and depreciation method of property, plant and equipment are reviewed, and adjusted as appropriate, at each reporting date. The effects of any revision are recognised in profit or loss when the changes arise.

Fully depreciated assets are retained in the financial statements until they are no longer in use.

h) Impairment of non-financial assets excluding goodwill

At each reporting date, the Group assesses the carrying amounts of its non-financial assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

Where an impairment loss subsequently reverses, the carrying amount of the asset (cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (cash-generating unit) in prior years. A previously recognised impairment loss for an asset other than goodwill is only reversed if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. A reversal of an impairment loss is recognised immediately in profit or loss.

Notes To The Financial Statements

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

i) Inventories

Inventories are stated at the lower of cost and net realisable value. Cost is determined on a weighted average basis. Net realisable value represents the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale. A write down on cost is made where the cost is not recoverable or if the selling prices have declined. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

j) Leases

The Group assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

When a Group entity is the lessee

The Group applies a single recognition and measurement approach for all contracts that are, or contain, a lease, except for short-term leases (i.e. for leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option) and leases of low-value assets (e.g. small items of office equipment). For these exempted leases, the Group recognises the lease payments as an operating expense on a straight-line basis over the term of the lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased assets are consumed.

Lease liabilities

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted by using the rate implicit in the lease. If this rate cannot be readily determined, the Group uses its incremental borrowing rate.

Lease payments included in the measurement of the lease liability comprise fixed lease payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for terminating the lease, if the lease term reflects the Group exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

The lease liability is presented within "borrowings" in the statements of financial position.

The lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability using the effective interest method, and reducing the carrying amount to reflect the lease payments made.

The Group remeasures the lease liability (and makes a corresponding adjustment to the related right-of-use asset) whenever there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Notes To The Financial Statements

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

j) Leases (cont'd)

Right-of-use assets

The Group recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). The right-of-use assets comprise the initial measurement of the corresponding lease liability, lease payments made at or before the commencement date, initial direct cost, less any lease incentive received.

Whenever the Group incurs an obligation for costs to dismantle and remove a leased asset, restore the site on which it is located or restore the underlying asset to the condition required by the terms and conditions of the lease, a provision is recognised and measured under SFRS(I) 1-37 *Provisions, Contingent Liabilities and Contingent Assets*. To the extent that the cost relates to a right-of-use asset, the costs are included in the related right-of-use asset, unless those costs are incurred to produce inventories.

Right-of-use assets are subsequently measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. Right-of-use assets are depreciated on a straight-line basis over the shorter period of the lease term and useful life of the underlying asset. If ownership of the leased asset transfers to the Group at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The depreciation starts at the commencement date of the lease.

The right-of-use assets are presented within “property, plant and equipment” in the statements of financial position. The Group applies SFRS(I) 1-36 *Impairment of Assets* to determine whether a right-of-use asset is impaired and accounts for any identified impairment loss as described in Note 2(h).

As a practical expedient, SFRS(I) 16 *Leases* permits a lessee not to separate non-lease components, and instead account for any lease and associated non-lease component as a single arrangement. The Group has not used this practical expedient.

When a Group entity is the lessor

Leases for which the Group is a lessor are classified as finance or operating leases. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Group is an intermediate lessor

When the Group is an intermediate lessor, it accounts for the head lease and the sublease as two separate contracts. The sub-lease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

Rental income from operating leases is recognised on a straight-line basis over the term of the relevant lease. Initial direct cost incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised on a straight-line basis over the lease term.

Amounts due from lessees under finance leases are recognised as receivables at the amount of the Group's net investment in the leases. Finance income is allocated to accounting period so as to reflect a constant periodic rate of return on the Group's net investment outstanding in respect of the leases.

When a contract includes both lease and non-lease components, the Group applies SFRS(I) 15 to allocate the consideration under the contract to each component.

Notes To The Financial Statements

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

k) Income taxes

Income tax on the profit or loss for the year comprises current and deferred tax. Current and deferred tax are recognised in profit or loss except to the extent that they relate to items recognised outside profit or loss, either in other comprehensive income or directly in equity in which the tax is also recognised outside profit or loss (either in other comprehensive income or directly in equity respectively).

Current tax is the expected tax payable or recoverable on the taxable income for the current year, using tax rates enacted or substantively enacted at the end of the reporting period, and any adjustment to tax payable or recoverable in respect of previous years. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions, where appropriate, on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided using the liability method, on all temporary differences at the end of the reporting period arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements except where the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination, and at the time of the transaction, affects neither the accounting nor taxable profit or loss.

Deferred income tax is provided on temporary differences arising on investments in subsidiaries and associated companies, except where the timing of the reversal of the temporary difference can be controlled by the Group and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax assets are recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences can be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on currently enacted or substantively enacted tax rates at the end of the reporting period.

l) Financial assets

Recognition and derecognition

Regular way purchases and sales of financial assets are recognised on trade-date - the date on which the Group commits to purchase or sell the asset. Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Group has transferred substantially all risks and rewards of ownership.

Financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition of financial assets (other than financial assets at fair value through profit or loss) are added to the fair value of the financial assets on initial recognition. Transaction costs directly attributable to acquisition of financial assets at fair value through profit or loss are recognised immediately in profit or loss. Trade receivables without a significant financing component is initially measured at transaction prices.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

l) Financial assets (cont'd)

Classification and measurement

All financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

The Group classifies its financial assets in the following measurement categories:

- Amortised cost; and
- Fair value through other comprehensive income ("FVOCI").

The classification is based on the Group's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets.

The Group reclassifies financial assets when and only when its business model for managing those assets changes.

The Group's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

In order for a financial asset to be classified and measured at amortised cost or FVOCI, it needs to give rise to cash flows that are 'solely payments of principal and interest ("SPPI")' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level.

Subsequent measurement

(i) Debt instruments

Debt instruments include cash and bank balances, trade and other receivables (excluding GST recoverable) and other current and non-current assets (excluding prepayments). The Group's debt instruments are measured at amortised cost.

The Group measures financial assets at amortised cost if both of the following conditions are met:

- The financial asset is held within a business model with the objective to hold financial assets in order to collect contractual cash flows; and
- The contractual terms of the financial asset give rise on specific dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at amortised cost are subsequently measured using the effective interest rate ("EIR") method and are subject to impairment. Gains and losses are recognised in profit or loss when the asset is derecognised, modified or impaired. Interest income from these financial assets is included in interest income using the EIR method.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

i) Financial assets (cont'd)

Subsequent measurement (cont'd)

(ii) Equity instruments

The Group subsequently measures all its equity investments at their fair values. Equity investments are classified as fair value through profit and loss ("FVTPL") with movements in their fair values recognised in profit or loss in the period in which the changes arise and presented in "other income". For equity investments which are not held for trading or not a contingent consideration recognised by an acquirer in a business combination, the Group may make an irrevocable election (on an investment by investment basis) to designate equity investments as at FVOCI.

The Group has designated all of its equity investments that are not held for trading as at FVOCI at initial recognition. Gains and losses arising from changes in fair value of these equity investments classified as FVOCI are presented as "fair value gains/losses" in other comprehensive income and accumulated in fair value reserve and will never be reclassified to profit or loss. On disposal of an equity investment, the difference between the carrying amount and sales proceed amount would be recognised in profit or loss except for equity investment designated at FVOCI which would be recognised in other comprehensive income. Fair value reserve relating to the disposed asset would be transferred to retained earnings upon disposal. Dividends from equity investments are recognised in profit or loss and presented in "other income". Equity investments classified as FVOCI are not subject to impairment assessment.

Impairment

The Group recognises an allowance for expected credit losses ("ECLs") for financial assets carried at amortised cost. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Group expects to receive, discounted at an approximation of the original effective interest rate.

The impairment methodology applied depends on whether there has been a significant increase in credit risk. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure, irrespective of the timing of the default (a lifetime ECL).

For trade receivables that do not have a significant financing component, the Group applies a simplified approach to recognise a loss allowance based on lifetime ECLs at each reporting date. The Group has established a provision matrix that is based on its historical credit loss experience, adjusted as appropriate for current conditions and forward-looking factors specific to the debtors and the economic environment.

If the Group has measured the loss allowance for a financial asset at an amount equal to lifetime ECL in the previous reporting period but determines at the current reporting date that the conditions for lifetime ECL are no longer met, the Group measures the loss allowance at an amount equal to 12-month ECL at the current reporting date.

The Group recognises an impairment gain or loss in profit or loss for all financial assets with a corresponding adjustment to their carrying amount through a loss allowance account.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

l) Financial assets (cont'd)

Offset

Financial assets and liabilities are offset and the net amount presented on the statement of financial position when, and only when the Group has a legal right to offset the amounts and intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

m) Cash and cash equivalents in the consolidated statement of cash flows

For the purpose of presentation in the consolidated statement of cash flows, cash and cash equivalents comprise cash on hand, deposits with financial institutions which are subject to an insignificant risk of changes in value and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value and excludes pledged deposits.

n) Financial liabilities

Financial liabilities include trade and other payables (excluding provision for unutilised leave and deferred grant income), accruals and borrowings. Financial liabilities are recognised on the statement of financial position when, and only when, the Group becomes a party to the contractual provisions of the financial instruments. Financial liabilities are initially recognised at fair value plus directly attributable transaction costs and subsequently measured at amortised cost using the effective interest method.

A financial liability is derecognised when the obligation under the liability is extinguished. Gains and losses are recognised in profit or loss when the liabilities are derecognised and through the amortisation process.

o) Share capital

Proceeds from issuance of ordinary shares are recognised as share capital in equity. Incremental costs directly attributable to the issuance of ordinary shares are deducted against share capital.

p) Provisions for other liabilities

Provisions are recognised when the Group has a present legal or constructive obligation as a result of past event, and it is probable that an outflow of economic resources will be required to settle that obligation and the amount can be estimated reliably. Provisions are measured at management's best estimate of the expenditure required to settle the obligation at the end of the reporting period. Where the effect of the time value of money is material, the amount of the provision shall be discounted to present value using a pre-tax discount rate that reflects the current market assessment of the time value of money and risks specific to the obligation.

When discounting is used, the increase in the provision due to passage of time is recognised as a finance cost in profit or loss.

The Group recognises the estimated costs of dismantlement, removal or restoration items of assets arising from the acquisition or use of assets (Note 2(g) and 2(j)). This provision is estimated based on the best estimate of the expenditure required to settle the obligation, taking into consideration time value. Changes in the estimated timing or amount of the expenditure or discount rate is adjusted against the cost of the related asset unless the decrease in liability exceeds the carrying amount of the asset or the asset has reached the end of its useful life. In such cases, the excess of the decrease over the carrying amount of the asset or the changes in the liability is recognised in profit or loss immediately.

Notes To The Financial Statements

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

q) **Borrowing costs**

Borrowing costs are recognised in the statement of comprehensive income using the effective interest method.

r) **Employee benefits**

Employee leave entitlements

Employee entitlements to annual leave are recognised when they accrue to employees. A provision is made for the estimated liability for annual leave as a result of services rendered by employees up to the end of the reporting period.

Defined contribution plans

Defined contribution plans are post-employment benefit plans under which the Group pays fixed contributions into separate entities such as the Central Provident Fund in Singapore, and will have no legal or constructive obligation to pay further contributions once the contributions have been paid. Certain overseas subsidiaries have defined contribution retirement benefit plans in which employees are entitled to join upon fulfilling certain conditions. Contributions to defined contribution plans are recognised as an expense in the period in which the related service is performed.

Termination benefits

Termination benefits are payable when employment is terminated before the normal retirement date, or whenever an employee accepts voluntary redundancy in exchange for these benefits. The Group recognises termination benefits when it is demonstrably committed to either: terminating the employment of current employees according to a detailed formal plan without possibility of withdrawal; or providing termination benefits as a result of an offer made to encourage voluntary redundancy. Benefits falling due more than 12 months after end of the reporting period are discounted to present value.

Share-based compensation

Employees of the Group receive remuneration in the form of share options as consideration for services rendered. The cost of these equity-settled transactions with employees is measured by reference to the fair value of the options granted on the date of the grant. This cost is recognised in profit or loss, with a corresponding increase in the share options reserve, over the vesting period. Non-market vesting conditions are included in the estimation of the number of shares under options that are expected to become exercisable on the vesting date. At each reporting date, the Group revises its estimates of the number of shares under options that are expected to become exercisable on the vesting date and recognises the impact of the revision of the estimates in profit or loss, with a corresponding adjustment to the share options reserve over the remaining vesting period.

When the options are exercised, the proceeds received (net of transaction costs) and the related balance previously recognised in the share options reserve are credited to share capital account if new ordinary shares are issued, or credited to the "treasury shares" account if treasury shares are re-issued to the employees. Upon expiry of the options, the balance in the share options reserve is transferred within equity, i.e. a transfer from one component of equity to another.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

s) Foreign currencies

Functional and presentation currency

Items included in the financial statements of each entity in the Group are measured using the currency of the primary economic environment in which that entity operates ("the functional currency"). The financial statements of the Group and the Company are presented in Singapore Dollar, which is the Company's functional currency.

Transactions and balances

Transactions in a currency other than the functional currency ("foreign currency") are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Currency translation gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in profit or loss, except for currency translation differences on net investment in foreign operations and borrowings and other currency instruments qualifying as net investment hedges for foreign operations, which are included in the currency translation reserve within equity in the consolidated financial statements. The currency translation reserve is reclassified from equity to profit or loss of the Group on disposal of the foreign operation.

Non-monetary items measured at fair values in foreign currencies are translated using the exchange rates at the date when the fair values are determined.

Translation of Group entities' financial statements

The results and financial position of all the Group entities (none of which has the currency of a hyperinflationary economy) that have a functional currency different from the Group's presentation currency are translated into the presentation currency as follows:

- (i) Assets and liabilities are translated at the closing rates at the end of the reporting period;
- (ii) Income and expenses are translated at average exchange rates (unless the average is not a reasonable approximation of the cumulative effect of the rates prevailing on the transaction dates, in which case income and expenses are translated using the exchange rates at the dates of the transactions); and
- (iii) All resulting exchange differences are recognised in the translation reserve within equity.

On consolidation, exchange differences arising from the translation of the net investment in foreign operations (including monetary items that, in substance, form part of the net investment in foreign entities), and of borrowings and other currency instruments designated as hedges of such investments, are recognised in other comprehensive income and accumulated in a separate component of equity under the header translation reserve.

Goodwill and fair value adjustments arising on the acquisition of a foreign operation are treated as assets and liabilities of the foreign operation and translated at the closing rate.

On disposal of a foreign group entity, the cumulative amount of the translation reserve relating to that particular foreign entity is reclassified from equity and recognised in profit or loss when the gain or loss on disposal is recognised.

Notes To The Financial Statements

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

t) Government grants

Government grants are recognised at their fair value where there is reasonable assurance that the grant will be received and all attaching conditions will be complied with. Where the grant relates to an asset, the grant is presented in the statement of financial position by deducting the grant in arriving at the carrying amount of the asset and is recognised in profit or loss over the life of the depreciable asset as a reduced depreciation expense.

When the grant relates to an expense item, it is recognised in profit or loss over the period necessary to match them on a systematic basis to the costs that it is intended to compensate.

u) Segment reporting

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with other components of the Group. Operating segments are reported in a manner consistent with the internal reporting provided to the Group's chief operating decision maker for making decisions about allocating resources and assessing performance of the operating segments.

3 CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

Critical judgements in applying the Group's accounting policies

In the process of applying the Group's accounting policies, management has made the following judgement that has the most significant effect on the amounts recognised in the financial statements (apart from those involving estimations, which are dealt with in the subsequent paragraphs).

Going concern

The Group incurred a net loss of \$3,165,000 (2020: \$13,668,000) during the financial year ended 30 June 2021 and cash flows used in operating activities amounted to \$504,000 (2020: \$6,198,000).

Operational cash outflow of the Group has continued to reduce during the financial year and the Group is working to increase businesses from existing customer base as well as source for new customers to increase the Group's customer base in the next financial year. The Group has also assessed that cash and cash equivalents held of \$5,111,000 as at 30 June 2021 is sufficient to ensure timely settlement of all required obligations for the 12 months from the reporting date. As such, the directors have determined that it is appropriate for the Group to adopt the going concern assumption in preparing the financial statements.

Key sources of estimation uncertainty

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are discussed below.

Notes To The Financial Statements

3 CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY (CONT'D)

Key sources of estimation uncertainty (cont'd)

Impairment review of investment in subsidiaries

At the end of each reporting period, the Company assesses whether there are any indicators of impairment for investment in subsidiaries. The Company also assesses whether there is any indication that an impairment loss recognised in prior periods for investment in subsidiaries may no longer exist or may have decreased. Where indicators exist, the recoverable amounts of investments in subsidiaries are determined. An impairment loss exists when the carrying value of an asset exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. An impairment loss recognised in prior periods shall be reversed if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. Where value in use calculations are undertaken, management is required to estimate the future cash flows expected from the investment in subsidiaries, a suitable discount rate and consider implications of the COVID-19 pandemic on the assumptions, in order to determine the present value of the cash flows. Further details of the key assumptions applied in the impairment assessment of investment in subsidiaries and the carrying amount of investment in subsidiaries are given in Note 13.

Calculation of loss allowance

When measuring ECL, the Group uses reasonable and supportable forward-looking information, which is based on assumptions and forecasts of future economic conditions, as well as the implications of the COVID-19 pandemic on the assumptions. Loss given default is an estimate of the loss arising on default. It is based on the difference between the contractual cash flows due and those that the lender would expect to receive, taking into account cash flows from collateral and integral credit enhancements.

Probability of default constitutes a key input in measuring ECL. Probability of default is an estimate of the likelihood of default over a given time horizon, the calculation of which includes historical data, assumptions and expectations of future conditions.

As the calculation of loss allowance on trade receivables is subject to assumptions and forecasts, any changes to these estimations will affect the amounts of loss allowance recognised and the carrying amounts of trade receivables. Details of ECL measurement and carrying value of trade receivables at reporting date are disclosed in Note 30.

Estimating the incremental borrowing rate for leases

The Group uses the incremental borrowing rate to measure the lease liabilities because the interest rate implicit in the lease is not readily determinable. The incremental borrowing rate is the rate of interest that a lessee would have to pay to borrow over a similar term, and with a similar security, the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment. The incremental borrowing rate therefore reflects what would the Group "would have to pay", which requires estimation when no observable rates are available (such as for subsidiaries that do not enter into financing transactions) or when they need to be adjusted to reflect the terms and conditions of the lease. The Group estimates the incremental borrowing rate using observable inputs such as market interest rates, when available and is required to make certain entity-specific estimates, such as the subsidiary's stand-alone credit rating. Any change in estimation of incremental borrowing rate may have a significant impact to the determination of lease liabilities and right-of-use asset at the commencement date of new leasing transactions. The carrying amount of lease liabilities and right-of-use assets are disclosed in Notes 20 and 21 respectively.

The Group applies the practical expedient in SFRS(I) 15 and does not disclose information about its remaining performance obligation if the Group has a right to invoice a customer in an amount that corresponds directly with its performance to date, and it recognises revenue in that amount.

Notes To The Financial Statements

4 REVENUE (CONT'D)

The Group receives payments from customers as established in contracts. Contract liabilities relate to advance consideration received from customers and billings in excess of revenue recognised to-date. Contract liabilities are recognised as revenue as (or when) the Group satisfies the performance obligations under its contracts.

The following table provides information about contract liabilities from contracts with customers.

	2021 \$'000	2020 \$'000	1.7.2019 \$'000
Group			
Trade receivables from contracts with customers	1,669	1,208	4,260

Within the government grant income is an amount of \$165,000 (2020: \$60,000) recognised during the financial year under the Jobs Support Scheme (the "JSS"). Under the JSS, the Singapore Government will co-fund gross monthly wages paid to each local employee through cash subsidies with the objective of helping employers retain local employees during the period of economic uncertainty. In determining the recognition of the JSS grant income, management has evaluated and concluded that the period of economic uncertainty commenced in April 2020 when the COVID-19 pandemic started affecting the Group's operations.

Notes To The Financial Statements

9 TAX CREDIT

The income tax credit on the results of the financial year differs from the amount of income tax determined by applying the domestic rates applicable in the countries where the Group entities operates due to the following factors:

	Group	
	2021 \$'000	2020 \$'000
Loss before tax	(3,165)	(13,668)
Tax at the domestic rates applicable to profits in the countries where the Group operates	(547)	(2,394)
Income not subject to tax	(2,766)	(68)
Expenses not deductible for tax purposes	3,140	2,054
Deferred tax assets not recognised	157	412
Others	16	(4)
	–	–

The income tax applicable to the Company is 17% (2020: 17%). The corporate income tax rate applicable to the subsidiaries in Singapore, People's Republic of China, United States and Hong Kong are 17% (2020: 17%), 25% (2020: 25%), 21% (2020: 21%) and 16.5% (2020: 16.5%) respectively.

As at 30 June 2021, the Group has deferred tax assets in respect of tax losses of \$29,580,000 (2020: \$28,669,000), unabsorbed capital allowances of \$96,000 (2020: \$96,000) and unutilised donations of \$60,000 (2020: \$47,000) available for carry-forward to set-off against future taxable income arising from trade source subject to the agreement of the tax authorities and compliance with relevant provisions of the tax legislation of the respective countries in which the Group operate. The potential deferred tax assets have not been recognised in the financial statements as it is not probable that future taxable profit will be sufficient to allow the related tax benefits to be utilised. The tax losses have no expiry date except for an amount of \$164,000 (2020: \$164,000) that can be carried forward up to five years from the year of loss against future taxable profits/income of the PRC subsidiary in which the tax losses arose, subject to the agreement of the tax authorities and compliance with certain provisions of the tax legislation in the PRC. Other losses do not expire under current tax legislation.

Notes To The Financial Statements

10 LOSS PER SHARE

The calculation of the basic and diluted loss per share attributable to the ordinary equity holders of the Company is based on the following data:

	Group	
	2021	2020
Net loss attributable to equity holders of the Company (\$'000)	(3,165)	(13,776)
Weighted average number of ordinary shares outstanding for basic and diluted loss per share ('000)	10,038,683	10,038,683
Basic and diluted loss per share (cents per share)	(0.03)	(0.14)

For the financial years ended 30 June 2021 and 30 June 2020, the computation of diluted loss per share does not adjust for the effects of the potential ordinary shares from employee share options as they have an anti-dilutive effect on the loss per share calculation.

Goodwill

Goodwill arising from acquisition of Disa Insurance Company Limited ("DACL") has been fully written off in previous financial years.

Notes To The Financial Statements

12 INTANGIBLE ASSETS (CONT'D)

Impairment test for core technology and development costs

The intangible assets are in respect of core technology (including asset protection technology) and development costs acquired via acquisition of a subsidiary which have collectively been determined as a cash-generating unit ("CGU") (under the Technology segment). The intangible assets have been fully impaired during the financial year ended 30 June 2019.

At 30 June 2020 and 30 June 2021, management has assessed that there is no indication that the impairment loss recognised in prior years for intangible assets may no longer exist or may have decreased, hence no reversal of the previously impaired amount was made.

e) Company level - Impairment review of investment in subsidiaries

Disa Digital Safety Pte. Ltd. and its subsidiaries ("DDSPL subgroup")

During the previous financial year, additional impairment loss of \$2,000,000 was recognised to write down the cost of investment in DDSPL subgroup to its recoverable amount of \$Nil. During the current financial year, management performed an impairment test on the investment in DDSPL subgroup as there was an increase in revenue contributed by the subgroup. The recoverable amounts of certain subsidiaries within DDSPL subgroup were determined based on a value in use calculation using cash flow projections from forecasts approved by management covering a five-year period, up to FY2026 which is the expiry of the core technology patent. The discount rate applied to the cash flow projections is 8% (2020: 8%), and the budgeted revenue growth ranges between -40% to 13% (2020: 2% to 89%).

Notes To The Financial Statements

13 INVESTMENT IN SUBSIDIARIES (CONT'D)

e) Company level - Impairment review of investment in subsidiaries (cont'd)

Disa Digital Safety Pte. Ltd. and its subsidiaries ("DDSPL subgroup") (cont'd)

The recoverable amount of a subsidiary of DDSPL subgroup, Disa Digital Safety Limited, was determined based on a value in use calculation using cash flow projections from forecast approved by management covering a five-year period. The discount rate applied to the cash flow projection and the forecasted growth rate used to extrapolate cash flow projections beyond the five-year period are 8% and 2% (2020: 8% and 2%) respectively, and the budgeted revenue growth rate ranges between -21% to 2% (2020: 2.5% to 59%).

These key inputs and assumptions were estimated by management based on prevailing market, economic and other conditions at the end of the reporting period, and based on management's estimations of the expected revenue growth and recovery in business conditions amidst the current COVID-19 pandemic.

With regards to the assessment of value in use, management believes that any reasonably possible changes in any of the above key assumptions would not cause the recoverable amount to be materially different from the carrying amount of the investment in subsidiaries.

It is the Group's strategy to hold these investments for long-term purposes and accordingly, management has elected to designate these investments in equity shares at fair value through other comprehensive income.
- (b) As at both reporting dates, the investment in Gema is \$Nil and had been fully impaired since previous financial years. During the financial year, fair value loss of \$150,000 was recognised through other comprehensive income on investment in SCash. The carrying value of investment in SCash is \$Nil as at 30 June 2021. Management has determined the fair value of SCash taking into consideration that COVID-19 has impacted the businesses of SCash.
- (c) The fair value measurement is categorised in Level 3 of the fair value hierarchy.

Movement in the number of share options and their related weighted average exercise prices is as follows (cont'd):

Out of the outstanding options for 1,292,500,000 (2020: 1,342,000,000) shares, options for 557,475,000 (2020: 191,250,000) shares are exercisable at the end of the reporting period. The weighted average share price at the time of exercise is \$0.00563 (2020: \$0.00933) per share. No options have been granted during the financial year and the fair value of options granted in 2020 was \$772,000.

The fair value of services received in return for share options granted is measured by reference to the fair value of share options granted. The estimate of the fair value of the services received is measured based on a Black Scholes Model. The expected life used in the model has been adjusted, based on management's best estimate, for the effects of non-transferability, exercise restrictions and behavioural considerations.

The expected volatility is based on the historic volatility (calculated based on the weighted average expected life of the share options), adjusted for any expected changes to future volatility due to publicly available information.

There are no market conditions associated with the share option grants. Service conditions and non-market performance conditions are not taken into account in the measurement of the fair value of the services to be received at the grant date.

DISA Performance Shares Scheme (the "DISA PS Scheme")

The DISA PS Scheme was approved by the members of the Company at an EGM held on 31 October 2008 and renewed on 26 October 2018 ("Date of Renewal").

The DISA PS Scheme differs from the existing DISA ESOS in that it allows the Company to target specific performance objectives and to provide an incentive for participants in the DISA PS Scheme ("Participants") to achieve these targets. The DISA ESOS, on the other hand, provides a more broad-based incentive that is based on the overall performance of the Company. The DISA PS Scheme is not intended to replace the existing DISA ESOS, but to complement it.

The Company has the flexibility to either issue and deliver new shares of the Company, or purchase and deliver existing shares of the Company to Participants upon the vesting of the shares awarded.

DISA Performance Shares Scheme (the "DISA PS Scheme") (cont'd)

Participants will receive fully paid shares of the Company, provided that certain prescribed performance targets are met within a prescribed period.

A Participant's award of shares under the DISA PS Scheme (the "Award") will be determined at the sole discretion of the DISA PS Scheme Committee, which will oversee and administer the DISA PS Scheme.

During and at the end of the financial year, no awards were granted under the DISA PS Scheme (2020: Nil).

The principal terms of the DISA PS Scheme are:

Size and duration

- 1) The aggregate number of Award shares to be delivered to the vesting of the Award on any date, when added to the number of shares issued and/or issuable under such other share-based incentive schemes (including the DISA ESOS) of the Company shall not exceed 15% of the issued shares of the Company on the day preceding that date.
- 2) The aggregate number of Award shares available to eligible controlling shareholders and their associates under the DISA ESOS shall not exceed 25% of the shares available under this DISA PS Scheme. In addition, the number of Award shares available to each such controlling shareholder or his associate shall not exceed 10% of the shares available under this DISA PS Scheme.
- 3) The DISA PS Scheme shall continue to be in force at the discretion of the DISA PS Scheme Committee, subject to a maximum period of 10 years commencing on the Date of Renewal (expiring on 25 October 2028) of the DISA PS Scheme, provided always that the DISA PS Scheme may continue beyond the above stipulated period with the approval of the Company's shareholders by ordinary resolution in general meeting and of any relevant authorities which may then be required.

Participants of the DISA PS Scheme

In respect of the DISA PS Scheme, the following persons shall be eligible to participate:

- 1) Employees of the Company and its subsidiaries who have been employed for a minimum of 1 year or such shorter period as the DISA PS Scheme Committee may determine and have attained the age of 21 years on or before the date of commencement of the DISA PS Scheme;
- 2) Executive Directors of the Company and its subsidiaries; and
- 3) Non-Executive Directors (including Independent Directors) of the Company and its subsidiaries.

Notes To The Financial Statements

28 CONTINGENT LIABILITIES

On 17 June 2016, the liquidator of M3 Electronics GmbH ("M3"), a former Germany-incorporated indirect subsidiary of the Group which filed for insolvency in 2015, commenced legal proceedings in the Regional Courts of Germany against the Company, to claim a sum of €1.5 million, plus interest thereon at 5% above the basis interest per annum from 11 January 2016 till date of payment, and costs of proceedings, as the liquidator alleged that the financial obligations of M3 was guaranteed by the Company.

On 21 September 2018, the district court of Frankfurt had dismissed the case due to the lack of jurisdiction of the German Courts/the Court in Frankfurt. The plaintiff had filed an appeal to the Court of Appeal in Frankfurt, whom have dismissed the case on 11 August 2020, again based on the lack of jurisdiction of the German Courts/the Court in Frankfurt. The one-month deadline for the plaintiff to appeal to the Supreme Court in Frankfurt had lapsed and the Group's German legal counsel had written to the Supreme Court in Frankfurt on 23 September 2020 to request for a written confirmation that the decision from the Court of Appeal on 11 August 2020 is final.

On 19 October 2020, the Group's German legal counsel received the Court's confirmation that the plaintiff had not appealed and as a result the case had formally ended in Germany. Accordingly, no provision for any liability has been made in the consolidated financial statements and M3 is no longer consolidated in the Group financials nor disclosed as a subsidiary in notes to the financial statements.

Financial risk management

The Group is exposed to financial risks arising from their operations and the use of financial instruments. The key financial risks include foreign exchange risk, interest rate risk, credit risk and liquidity risk. The Board of Directors is responsible for setting the objectives and underlying principles of financial risk management for the Group. Management then establishes the detailed policies such as risk identification and measurement and exposure limits, in accordance with the objectives and underlying principles approved by the Board of Directors. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities.

There has been no change to the Group's exposure to these financial risks or the manner in which the Group manages and measures financial risk.

Foreign exchange risk

The Group has currency exposures arising from transactions, assets and liabilities that are denominated in currencies other than the respective functional currencies of entities in the Group. The foreign currencies in which the Group's currency risk arises are mainly United States Dollar ("USD"). The Group does not hedge against foreign exchange exposure as the currency risk is not expected to be significant.

At the end of reporting period, the Group has the following financial assets and financial liabilities denominated in foreign currencies based on information provided to key management:

- weakened 10% (2020: 10%)	129	126	41	43

Interest rate risk

The Group's exposure to interest rate risk arises primarily from their borrowings. Borrowings at variable rates expose the Group to cash flow interest rate risk (i.e. the risk that the future cash flows of a financial instrument will fluctuate due to changes in market interest rates). Borrowings at fixed rates expose the Group to fair value interest rate risk (i.e. the risk that the value of a financial instrument will fluctuate due to changes in market rates). The Group's policy is to obtain most favourable interest rate available whenever the Group obtains additional financing through bank borrowings. The Group does not utilise derivatives to mitigate its interest rate risk.

As the Group has no significant interest-bearing assets and liabilities, the Group's income is substantially independent of changes in market interest rates.

Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Group. For trade receivables, the Group adopts the policy of dealing only with customers of appropriate credit history and obtaining sufficient security where appropriate to mitigate credit risk. For other financial assets, the Group adopts the policy of dealing only with high credit quality counterparties.

Concentration of credit risk and maximum exposure

The Group does not have significant credit exposure except that the Group's 3 (2020: 2) largest trade receivables represented 95% (2020: 83%) of total trade receivables. As the Group and the Company do not hold any collateral, the maximum exposure to credit risk is the carrying amount of each class of financial instruments presented on the statements of financial position.

Notes To The Financial Statements

30 FINANCIAL INSTRUMENTS (CONT'D)

Financial risk management (cont'd)

Credit risk (cont'd)

Concentration of credit risk and maximum exposure (cont'd)

The following sets out the Group's internal credit evaluation practices and basis for recognition and measurement of expected credit losses ("ECL"):

Description of evaluation of financial assets	Basis for recognition and measurement of ECL
Debtors has a low risk of default and does not have any past due amount	12-month ECL
Contractual payments are more than 30 days past due or where there has been a significant increase in credit risk since initial recognition	Lifetime ECL - not credit-impaired
Contractual payments are more than 90 days past due or there is evidence of credit impairment	Lifetime ECL - credit-impaired
There is evidence indicating that the Company has no reasonable expectation of recovery of payments such as when the debtor has been placed under liquidation or has entered into bankruptcy proceedings	Write-off

Significant increase in credit risk

In assessing whether the credit risk on a financial asset has increased significantly since initial recognition, the Group compares the risk of a default occurring on the financial asset as at the reporting date with the risk of a default occurring on the financial asset as at the date of initial recognition. In making this assessment, the Group considers both quantitative and qualitative information that is reasonable and supportable, including historical experience and forward-looking information, such as future economic and industry outlook, that is available without undue cost or effort.

In particular, the Group considers the following information when assessing whether credit risk has increased significantly since initial recognition:

- an actual or expected significant deterioration in the operating results/key financial performance ratios of the debtor; and
- an actual or expected significant adverse change in the regulatory, economic, or technological environment of the debtor that results in a significant decrease in the debtor's ability to meet its debt obligations.

The Group regularly monitors the effectiveness of the criteria used to identify whether there has been a significant increase in credit risk and revises them as appropriate to ensure that the criteria are capable of identifying significant increase in credit risk before the amount becomes past due.

Notes To The Financial Statements

30 FINANCIAL INSTRUMENTS (CONT'D)

Financial risk management (cont'd)

Significant increase in credit risk (cont'd)

Credit risk (cont'd)

Regardless of the evaluation of the above factors, the Group presumes that the credit risk on a financial asset has increased significantly since initial recognition when contractual payments are more than 30 days past due unless the Group has reasonable and supportable information that demonstrates otherwise.

The Group also assumes that the credit risk on a financial instrument has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the reporting date. A financial instrument is determined to have low credit risk if it has an internal or external credit rating of "investment grade" as per globally understood definition, or the financial asset has a low risk of default; the borrower has a strong capacity to meet its contractual cash flow obligations in the near term; and adverse changes in economic and business conditions in the longer term may, but will not necessarily, reduce the ability of the borrower to fulfil its contractual cash flow obligations.

Definition of default

The Group considers information developed internally or obtained from external sources that indicates that the debtor is unlikely to pay its creditors, including the Group as constituting an event of default for internal credit risk management purposes. Based on historical experience, it indicates that receivables that meet the criteria are generally not recoverable.

Irrespective of the above analysis, the Group considers that default has occurred when a financial asset is more than 90 days past due unless the Group has reasonable and supportable information to demonstrate that a more lagging default criterion is more appropriate.

Credit-impaired financial assets

A financial asset is credit-impaired when one or more events that have a detrimental impact on the estimated future cash flows of that financial asset have occurred such as evidence that the borrower is in significant financial difficulty, there is a breach of contract such as default or past due event; there is information that it is becoming probable that the borrower will enter bankruptcy or other financial reorganisation; the disappearance of an active market for that financial asset because of financial difficulties; or the purchase or origination of a financial asset at a deep discount that reflects the incurred credit losses.

Trade receivables

The Group has applied the simplified approach by using a provision matrix to measure the lifetime expected credit loss allowance for trade receivables.

The Group estimates the expected credit loss rates for each category of past due status of the debtors based on historical credit loss experience adjusted as appropriate to reflect current conditions and forecasts of future economic conditions.

In view of the current COVID-19 pandemic, the Group has considered the impact of the pandemic on the performance and liquidity of its trade receivables and in particular, whether there are significant decline in the repayment ability of its debtors. There has been no change in the estimation techniques or significant assumptions made during the current financial year, except for reassessments made of the current COVID-19 effects on the historical default rates of each past due category of its trade receivables.

Notes To The Financial Statements

Trade receivables (cont'd)

The Group has recognised a loss allowance of 100% against all trade receivables over 1 year past due because historical experience has indicated that these receivables are generally not recoverable. A trade receivable is written off when there is information indicating that there is no realistic prospect of recovery from the debtor. The Group has written off trade receivables of \$2,000 (2020: \$2,371,000) against allowance for impairment previously recognised by the Group for specific debtors as a result of occurrence of credit impairment events during the current financial year. None of the trade receivables that have been written off is subject to enforcement activities.

Other financial assets at amortised cost

Other financial assets at amortised costs include cash and cash equivalents, other receivables (excluding GST recoverable), other current and non-current assets (excluding prepayments).

Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting financial obligations due to shortage of funds. The Group's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities.

The Group manage the liquidity risk by maintaining sufficient cash to enable them to meet their normal operating commitments and having an adequate amount of committed credit facilities.

31 FAIR VALUE OF ASSETS AND LIABILITIES

a) Fair value hierarchy

The Group analyse the fair value measurements by the levels in the fair value hierarchy based on the inputs to the valuation techniques. The different levels are defined as follows:

- Level 1 - quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2 - inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly (i.e. derived from prices); and
- Level 3 - inputs for the asset or liability that are not based on observable market data (unobservable inputs).

33 CAPITAL MANAGEMENT

The Group's objective when managing capital is to safeguard the Group's ability to continue as a going concern and to maintain an optimal capital structure so as to maximise shareholders' value. In order to maintain or achieve an optimal capital structure, the Group may adjust the amount of dividend payment, return capital to shareholders, issue new shares, buy back issued shares, obtain new borrowings or sell assets to reduce borrowings.

The Group and the Company do not have any external borrowings. The debt-to-adjusted capital ratio therefore does not provide a meaningful indicator of the risk of borrowings.

The Group and the Company are not subject to any externally imposed capital requirements for the financial years ended 30 June 2021 and 30 June 2020.

The capital of the Group consists of share capital, and the Group's overall strategy remains unchanged from 2020.

Dear Sir/Madam,

PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

2. THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

2.1 Background

We refer to the Notice of AGM dated 12 October 2021 accompanying the Annual Report convening the 2021 AGM to be held on 28 October 2021 and Resolution 11 set out in the Notice of AGM. The purpose of this Appendix is to provide Shareholders with information relating to, and to seek their approval for, the proposed renewal of the Share Purchase Mandate.

At the 2020 AGM, the Shareholders approved, *inter alia*, the renewal of the Share Purchase Mandate to enable the Company to purchase or otherwise acquire the Shares. The Share Purchase Mandate will expire on the date of the forthcoming 2021 AGM, being 28 October 2021. Accordingly, the Directors propose that the Share Purchase Mandate be renewed at the forthcoming 2021 AGM, to take effect until the conclusion of the next following AGM or such date as the next AGM is required by law to be held, unless prior thereto, the Share Purchase is carried out to the full extent mandated or the Share Purchase Mandate is revoked or varied by the Shareholders in a general meeting.

The Company has not undertaken any purchase or acquisition of Shares pursuant to the Share Purchase Mandate approved by Shareholders at the 2020 AGM up to the Latest Practicable Date.

2.2 Rationale for the Share Purchase Mandate

The rationale for the Company to undertake the purchase or acquisition of its Shares is as follows:

- (a) In managing the business of the Group, the Directors strive to increase Shareholders' value by improving, *inter alia*, the return on equity of the Group. Share Purchase is one of the ways through which the return on equity of the Group can be enhanced.
- (b) Share purchases or acquisitions are an efficient, expedient and cost-efficient way for the Company to return surplus cash which is in excess of the capital requirements and possible investment needs of the Group to the Shareholders. In addition, the Share Purchase Mandate will allow the Company to have greater flexibility over, *inter alia*, the Company's share capital structure, cash reserves and its dividend policy.

Appendix

- (c) Share repurchases or acquisitions also help buffer short-term share price volatility and offset the effects of short-term speculators and investors and, in turn, bolster shareholder confidence and employee morale.
- (d) Repurchased Shares which are held in treasury may be transferred for the purposes of or pursuant to any employees' share or share option schemes as may be implemented by the Company.

The Share Purchase Mandate would afford the Company the flexibility to undertake Share Purchases at any time, up to the 10% limit described in paragraph 2.3(a) below, and subject to market conditions, during the period when the Share Purchase Mandate is in force. The purchases or acquisitions of Shares may, depending on market conditions and funding arrangements at the time, enhance the EPS of the Company, and will only be made when the Directors believe that such purchase or acquisitions would benefit the Company and its Shareholders and in circumstances which would not have a material adverse effect on the financial position of the Company.

While the proposed renewal of the Share Purchase Mandate would authorise a purchase or acquisition of Shares by the Company up to the 10% limit described in paragraph 2.3(a) below, Shareholders should note that the purchase or acquisition of Shares pursuant to the Share Purchase Mandate might not be carried out by the Company to the full 10% limit as authorised.

2.3 Authority and Limits of the Share Purchase Mandate

The terms of the Share Purchase Mandate, if renewed at the 2021 AGM, are substantially the same as previously approved by Shareholders at the 2020 AGM. The authority for and limitations placed on purchases or acquisitions of Shares by the Company under the Share Purchase Mandate are as follows:

(a) **Maximum Number of Shares**

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company.

In accordance with Rule 867 of the Catalist Rules, the total number of Shares that may be purchased or acquired by the Company pursuant to the Share Purchase Mandate is limited to that number of Shares representing not more than 10% of the total number of issued Shares of the Company (excluding treasury shares and subsidiary holdings), ascertained as at the date of the general meeting at which the Share Purchase Mandate is approved, in this case, being the date of the 2021 AGM, unless:

- (i) the Company has, at any time during the Relevant Period reduced its share capital by a special resolution under 78C of the Act; or
- (ii) the High Court of the Republic of Singapore has, at any time during the Relevant Period, made an order under Sections 78G and 78I of the Act approving the reduction of share capital of the Company,

in which event the total number of Shares shall be taken to be the total number of Shares as altered by the special resolution of the Company or the order of the court, as the case may be.

For purposes of calculating the percentage of issued Shares above, any of the Shares which are held as treasury shares or any subsidiary holdings will be disregarded for purposes of computing the 10% limit.

For illustrative purposes only, based on the existing issued and paid-up share capital of the Company as at the Latest Practicable Date, comprising 10,106,683,403 Shares, and assuming that no further Shares are issued on or prior to the 2021 AGM, not more than 1,010,668,340 Shares (representing 10% of the total number of issued Shares of the Company as at that date) may be purchased or acquired by the Company pursuant to the Share Purchase Mandate. There are no treasury shares or subsidiary holdings as at the Latest Practicable Date.

Appendix

(b) **Duration of Authority**

Purchases or acquisitions of Shares may be made during the Relevant Period, at any time and from time to time, on and from the date of the 2021 AGM, at which the proposed renewal of the Share Purchase Mandate is approved, up to the earliest of:

- (i) the date on which the next AGM is held or required by law to be held; or
- (ii) the date on which the aggregate purchases or acquisition of Shares pursuant to the Share Purchase Mandate are carried out to the full extent mandated as described in paragraph 2.3(a) above; or
- (iii) the date on which the authority conferred by the Share Purchase Mandate is revoked or varied by Shareholders in a general meeting.

The Share Purchase Mandate may be renewed at each AGM or other general meetings of the Company.

(c) **Solvency**

Purchases or acquisitions of Shares may only be made if the Company is solvent.

The Company is considered solvent if at the date of the payment referred to in Section 76F(4) of the Act:

- (i) there is no ground on which the Company could be found to be unable to pay its debts;
- (ii) if it is intended to commence winding up of the Company within the period of 12 months immediately after the date of the payment, the Company will be able to pay its debts in full within the period of 12 months after the date of commencement of the winding up or if it is not intended so to commence winding up, the Company will be able to pay its debts as they fall due during the period of 12 months immediately after the date of the payment; and
- (iii) the value of the Company's assets is not less than the value of its liabilities (including contingent liabilities) and will not after the proposed purchase or acquisition become less than the value of its liabilities (including contingent liabilities).

(d) **Manner of Purchases or Acquisitions of Shares**

Purchases or acquisitions of Shares may be made by way of:

- (i) Market Purchases, and/or
- (ii) Off-Market Purchases.

For Off-Market Purchases, the Directors may impose such terms and conditions which are not inconsistent with the Share Purchase Mandate, the Catalist Rules and the Act, as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes. An Off-Market Purchase must, however, satisfy all the following conditions:

- (i) offers for the purchase or acquisition of Shares shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (ii) all of the abovementioned persons shall be given a reasonable opportunity to accept the offers made to them; and

Appendix

- (iii) the terms of all the offers shall be the same, except that there shall be disregarded (1) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements; (2) differences in consideration attributable to the fact that the offers relate to Shares with different amounts remaining unpaid (if applicable); and (3) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

In addition, the Catalist Rules provide that if the Company wishes to make an Off-Market Purchase in accordance with an equal access scheme, the Company must issue an offer document to all Shareholders containing at least the following information:

- (i) terms and conditions of the offer;
 - (ii) period and procedures for acceptances;
 - (iii) the reasons for the proposed Share Purchase;
 - (iv) the consequences, if any, of Share Purchases that will arise under the Take-over Code or other applicable take-over rules;
 - (v) whether the Share Purchase, if made, would have any effect on the listing of the Shares on Catalist;
 - (vi) details of any Share Purchases in the previous 12 months (whether through Market Purchases or Off-Market Purchases in accordance with an equal access scheme), giving the total number of Shares purchased or acquired, the purchase or acquisition price per Share or the highest and lowest prices paid for the Share Purchases, where relevant, and the total consideration paid for the Share Purchases; and
 - (vii) whether the Shares purchased by the Company will be cancelled or kept as treasury shares.
- (e) **Maximum Purchase Price**

The purchase price (excluding applicable brokerage, commission, stamp duties, goods and services tax and other related expenses) to be paid for the Shares will be determined by the Directors. The purchase price to be paid by the Company for the Shares as determined by the Directors must not exceed:

- (i) in the case of a Market Purchase, 105% of the Average Closing Price (as defined below) of the Shares, and
- (ii) in the case of an Off-Market Purchase pursuant to an equal access scheme, 110% of the Average Closing Price (as defined below) of the Shares,

in either case, excluding related expenses of the Share Purchase (the “**Maximum Price**”).

For the above purposes:

“**Average Closing Price**” means the average of the last dealt prices (excluding any transaction that the SGX-ST requires to be excluded for this purpose) of a Share for the 5 consecutive Market Days on which the Shares are transacted on Catalist, immediately preceding the date of the Market Purchase by the Company or, as the case may be, the date of the making of the offer (pursuant to an Off-Market Purchase), and deemed to be adjusted in accordance with the Catalist Rules for any corporate action which occurs during the relevant 5-day period and the day of the Share Purchase, and

Appendix

“**date of the making of the offer**” means the date on which the Company makes an offer for the purchase or acquisition of Shares from Shareholders, stating the purchase price (which shall not be more than the Maximum Price calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

2.4 Status of Purchased Shares

Shares purchased or acquired by the Company pursuant to the Share Purchase Mandate are deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Shares will expire on such cancellation) unless such Shares are held by the Company as treasury shares in accordance with the Act. Accordingly, the total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company, and which are not held as treasury shares.

Any Shares purchased or acquired by the Company and cancelled will be automatically delisted by the SGX-ST. Certificates in respect of purchased or acquired Shares that are cancelled by the Company will be cancelled by the Company as soon as reasonably practicable following settlement of any purchase or acquisition of such Shares.

At the time of each purchase or acquisition of Shares by the Company, the Directors will decide whether the Shares purchased or acquired will be cancelled or kept as treasury shares, or partly cancelled and partly kept as treasury shares, depending on the needs of the Company and as the Directors deem fit in the interests of the Company at that time.

2.5 Treasury Shares

Under the Act, Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the provisions on treasury shares under the Act are summarised below:

(a) **Maximum Holdings**

The number of Shares held as treasury shares cannot at any time exceed 10% of the total number of issued Shares. Any Shares in excess of this limit shall be disposed of or cancelled in accordance with Section 76K of the Act within 6 months or such further periods as ACRA may allow.

(b) **Voting and Other Rights**

The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution of the Company's assets may be made, to the Company in respect of treasury shares. However, the allotment of shares as fully paid bonus shares in respect of treasury shares is allowed. A subdivision or consolidation of any treasury shares into treasury shares of a smaller amount is also allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

(c) **Disposal and Cancellation**

Where Shares are held as treasury shares, the Company may at any time, but subject always to the Take-over Code:

- (i) sell the treasury shares for cash;

Appendix

- (ii) transfer the treasury shares for the purposes of or pursuant to any share scheme, whether for employees, directors or other persons;
- (iii) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (iv) cancel the treasury shares; or
- (v) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance of Singapore.

In addition, under the Catalist Rules, an immediate announcement must be made of any sale, transfer, cancellation and/or use of treasury shares. Such announcement must include details such as the date of the sale, transfer, cancellation and/or use of such treasury shares, the purpose of such sale, transfer, cancellation and/or use of such treasury shares, the number of treasury shares which have been sold, transferred, cancelled and/or used, the number of treasury shares before and after such sale, transfer, cancellation and/or use, the percentage of the number of treasury shares against the total number of shares outstanding in a class that is listed before and after such sale, transfer, cancellation and/or use, and the value of the treasury shares if they are used for a sale or transfer, or cancelled.

2.6 Source of Funds

In purchasing or acquiring Shares under the Share Purchase Mandate, the Company may only apply funds legally available for such purchase or acquisition in accordance with its Constitution, and the applicable laws in Singapore. Any Share Purchase must be made out of the Company's profits and/or capital as long as the Company is solvent (as defined in Section 76F(4) of the Act and set out in paragraph 2.3(c) of this Appendix).

In determining whether the Company is solvent, the Directors must have regard to the most recently audited financial statements, other relevant circumstances, and may rely on valuations or estimations of assets or liabilities. In determining the value of contingent liabilities, the Directors may take into account the likelihood of the contingency occurring, as well as any counter-claims by the Company.

The Company may use internal sources of funds, external borrowings, or a combination of internal resources and external borrowings, to finance such purchase or acquisition. However, in considering the option of external financing, the Directors will also consider the financial position of the Group, particularly the prevailing gearing level of the Group.

The Directors do not propose to exercise the Share Purchase Mandate in a manner and to such extent that the liquidity, working capital and overall financial position of the Company would be materially and adversely affected. The Share Purchases will only be effected after considering relevant factors such as working capital requirements, availability of financial resources, expansion and investment plans of the Group as a whole and prevailing market conditions. The Directors will also have regard to any relevant financial covenants which are applicable to the Company and/or the Group under any agreements for banking and credit facilities which may be granted by a financial institution to the Company and/or the Group from time to time. The Company will not effect any Share Buyback if such purchases or acquisitions would result in any breaches of the relevant financial covenants.

2.7 Financial Effects

The financial effects on the Company and the Group arising from the purchase or acquisition of Shares which may be made pursuant to the Share Purchase Mandate will depend on, *inter alia*, whether the Shares are purchased or acquired out of profits and/or capital of the Company or the Group, the number of Shares purchased or acquired and the consideration paid for such Shares and whether the Shares purchased or acquired are held in treasury or cancelled.

Appendix

Where the Company finances the purchase or acquisition of Shares through external borrowings, the gearing level of the Group will increase and the current ratio of the Group will decrease.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration (excluding applicable brokerage, commission, stamp duties, goods and services tax and other related expenses) will correspondingly reduce the amount available for the distribution of cash dividends by the Company. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

Where the Shares purchased or acquired by the Company are subsequently cancelled by the Company, the share capital of the Company will be correspondingly reduced. Where the Shares purchased or acquired by the Company are held as treasury shares, the total number of issued Shares would remain unchanged.

The illustrative financial effects on the Group, based on the audited financial statements of the Group for the financial year ended 30 June 2021, are based on the assumptions set out below:

(a) **Share Purchase Mandate**

It has been assumed that the Share Purchase Mandate was effective as at the Latest Practicable Date.

(b) **Number of Shares Acquired or Purchased**

Purely for illustrative purposes, on the basis of 10,106,683,403 Shares in issue as at the Latest Practicable Date and assuming no further Shares are issued, on or prior to the 2021 AGM, the purchase or acquisition by the Company of 1% of its issued Shares will result in the purchase or acquisition of 101,066,834 Shares.

(c) **Maximum Price Paid for Shares Acquired or Purchased**

In the case of Market Purchases by the Company and assuming that the Company purchases or acquires 1% of its issued Shares at the maximum price of S\$0.0021 per Share (being the price equivalent to 5% above the Average Closing Price of the Shares for the 5 consecutive Market Days on which the Shares were traded on Catalist immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 101,066,834 Shares is S\$0.212 million.

In the case of Off-Market Purchases by the Company and assuming that the Company purchases or acquires 1% of its issued Shares at the maximum price of S\$0.0022 per Share (being the price equivalent to 10% above the Average Closing Price of the Shares for the 5 consecutive Market Days on which the Shares were traded on Catalist immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 101,066,834 Shares is S\$0.222 million.

(d) **Illustrative Financial Effects**

For illustrative purposes only and on the basis of the assumptions set out in paragraphs 2.7(b) and 2.7(c) above and the following:

- (i) the purchase or acquisition of 101,066,834 Shares by the Company pursuant to the Share Purchase Mandate by way of Market Purchases made entirely out of capital and held in treasury
- (ii) the purchase or acquisition of 101,066,834 Shares by the Company pursuant to the Share Purchase Mandate by way of Off-Market Purchases made entirely out of capital and held in treasury; and

- (iii) the transaction costs incurred for the Share Purchases were insignificant and have been ignored for the purpose of computing the financial effects,

the financial effects of the Share Purchases pursuant to the Share Purchase Mandate on the audited financial statements of the Group and Company for the financial year ended 30 June 2021 are set out below:

Notes:

- (1) Borrowings comprise finance lease liabilities and lease liabilities arising from adoption of SFRS(I) 16.
- (2) Based on total equity including non-controlling interests.
- (3) Gearing is computed based on the ratio of total borrowings after deducting cash and cash equivalents to Shareholders' funds.
- (4) Current ratio is derived based on the ratio of current assets to current liabilities.
- (5) Loss per share is derived based on net loss after tax attributable to Shareholders over number of Shares.

SHAREHOLDERS SHOULD NOTE THAT THE FINANCIAL EFFECTS SET OUT ABOVE ARE FOR ILLUSTRATIVE PURPOSES ONLY (BASED ON THE ABOVEMENTIONED ASSUMPTIONS). Although the proposed renewal of the Share Purchase Mandate would authorise the Company to purchase or acquire up to 10% of the issued Shares, the Company may not necessarily purchase or acquire or be able to purchase or acquire the entire 10% of the issued Shares. In addition, the Company may cancel all or part of the Shares repurchased or hold all or part of the Shares repurchased in treasury. Shareholders should note that the above analysis is based on the audited financial statements of the Group for the financial year ended 30 June 2021 and is not necessarily representative of future financial performance of the Group and the Company.

Further, the Directors would emphasise that they do not propose to carry out Share Purchases to such an extent that would, or in circumstances that might, result in a material adverse effect on the financial position of the Company or the Group, or results in the Company being delisted from Catalist. The Company will take into account both financial and non-financial factors (for example, share market conditions and the performance of the Shares) in assessing the relative impact of a Share Purchase before execution.

Appendix

2.8 Tax Implications

Shareholders who are in doubt as to their respective tax positions or any tax implications of Share Purchases by the Company, or who may be subject to tax in a jurisdiction outside Singapore, should consult their own professional advisers.

2.9 Reporting Requirements under the Act

Within 30 days of the passing of a Shareholders' resolution to approve the proposed renewal of the Share Purchase Mandate, the Company shall lodge a copy of such resolution with the ACRA. Within 30 days of a purchase or acquisition of Shares on Catalist or otherwise, the Company shall lodge with ACRA the notice of the purchase in the prescribed form, such notification including *inter alia*, details of the Share Purchase, the total number of Shares purchased or acquired by the Company, the total number of Shares cancelled, the number of Shares held as treasury shares, the Company's issued ordinary share capital before and after the Share Purchase, the amount of consideration paid by the Company for the purchase, and whether the Shares were purchased out of the profits or the capital of the Company.

Within 30 days of the cancellation or disposal of treasury shares in accordance with the Act, the Directors shall lodge with ACRA the notice of cancellation or disposal of treasury shares in the prescribed form as required by ACRA.

2.10 Requirements under the Catalist Rules

The Company does not have any individual shareholding limit or foreign shareholding limit. Rule 723 of the Catalist Rules requires a listed company to ensure that at least 10% of any class of its listed securities (excluding treasury shares, preference shares and convertible equity securities) must be held by public shareholders. The term "**public**", as defined under the Catalist Rules, are persons other than (i) the Directors, chief executive officer, Substantial Shareholders or Controlling Shareholder of the Company and its subsidiaries; and (ii) Associates of the persons in (i). As at the Latest Practicable Date, approximately 81.81% of the issued Shares are in the hands of the public. No Shares were held by the Company as treasury shares as at the Latest Practicable Date. Assuming the Company had purchased or acquired Shares from the public up to the full 10% limit pursuant to the Share Purchase Mandate on the Latest Practicable Date, the percentage of the issued Shares held by public Shareholders as at that date would approximately be 79.79%.

The Company will not undertake the Share Purchases to the extent that (i) the number of Shares held by the public would fall below 10% of the total number of issued Shares, thereby affecting the listing status of the Shares on Catalist, and (ii) such Share Purchases would cause market illiquidity or adversely affect the orderly trading of the Shares.

2.11 Take-over Implications under the Take-over Code

Appendix 2 of the Take-over Code contains the Share Buy-Back Guidance Note. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below:

2.11.1 Obligation to make a Take-over Offer

If, as a result of any purchase or acquisition by the Company of its Shares, the proportionate interest in the voting capital of the Company of a Shareholder and persons acting in concert with him increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. Consequently, a Shareholder or a group of Shareholders acting in concert obtains or consolidates effective control of the Company and become obliged to make an offer under Rule 14 of the Take-over Code, unless the conditions for exemption pursuant to paragraph 3(a) of Appendix 2 of the Take-over Code are satisfied.

Appendix

Under Rule 14 of the Take-over Code, a Shareholder and persons acting in concert with the Shareholder will incur an obligation to make a mandatory take-over offer if, *inter alia*, he and persons acting in concert with him increase their voting rights in the Company to 30% or more or, if they, together holding between 30% and 50% of the Company's voting rights, increase their voting rights in the Company by more than 1% in any period of 6 months.

2.11.2 Persons Acting in Concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), cooperate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of that company.

Unless the contrary is established, the following persons will be presumed to be acting in concert:

- (a) a company with its parent company, subsidiaries, fellow subsidiaries, any associated companies of the foregoing companies, any company whose associated companies include any of the foregoing companies, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing companies for the purchase of voting rights;
- (b) a company with any of its directors, together with their close relatives, related trusts and any companies controlled by any of the directors, their close relatives and related trusts;
- (c) a company with any of its pension funds and employee share schemes;
- (d) a person with any investment company, unit trust or other fund in respect of the investment account which such person manages on a discretionary basis;
- (e) a financial or other professional adviser, including a stockbroker, with its client in respect of the shareholdings of the adviser and the persons controlling, controlled by or under the same control as the adviser and all the funds which the adviser manages on a discretionary basis, where the shareholdings of the adviser and any of those funds in the client total 10% or more of the client's equity share capital;
- (f) directors of a company, together with their close relatives, related trusts and companies controlled by any of such directors, their close relatives and related trusts, which is subject to an offer or where the directors have reason to believe a bona fide offer for their company may be imminent;
- (g) partners; and
- (h) an individual, his close relatives, his related trusts, any person who is accustomed to act according to his instructions, companies controlled by any of the foregoing persons and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing persons and/or entities for the purchase of voting rights.

For this purpose, ownership or control of at least 20% but not more than 50% of the voting rights of a company will be regarded as the test of associated company status.

The circumstances under which the Shareholders (including the Directors) and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

Appendix

2.11.3 **Effect of Rule 14 and Appendix 2 of the Take-over Code**

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted pursuant to paragraph 3(a) of Appendix 2 of the Take-over Code, the Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring Shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or in the event that such Directors and their concert parties hold between 30% and 50% of the Company's voting rights, if the voting rights of such Directors and their concert parties would increase by more than 1% in any period of 6 months. In calculating the percentages of voting rights of such Directors and their concert parties, treasury shares shall be excluded.

Under Appendix 2 of the Take-over Code, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of 6 months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Purchase Mandate.

SHAREHOLDERS WHO ARE IN DOUBT AS TO THEIR OBLIGATIONS, IF ANY, TO MAKE A MANDATORY TAKE-OVER OFFER UNDER THE TAKE-OVER CODE AS A RESULT OF ANY PURCHASE OR ACQUISITION OF SHARES BY THE COMPANY SHOULD CONSULT THE SECURITIES INDUSTRY COUNCIL AND/OR THEIR PROFESSIONAL ADVISERS AT THE EARLIEST OPPORTUNITY.

2.11.4 **Application of the Take-over Code**

The number of Shares held by the Directors and Substantial Shareholders are set out in paragraph 3 below. In the event the Company purchases the maximum number of Shares permissible under the Share Purchase Mandate, the shareholdings and voting rights of:

- (a) each of the Directors and their concert parties (as defined in the Take-over Code) remain below 30%; and
- (b) the Substantial Shareholders and their concert parties (as defined in the Take-over Code) remain below 30%,

and accordingly, no mandatory take-over offer is required to be made pursuant to the Take-over Code.

As at the Latest Practicable Date, the Directors are not aware of any other Shareholder who may become obligated to make a mandatory take-over offer for the Company in the event that the Company purchases or acquires the maximum number of Shares under the Share Purchase Mandate.

Appendix

2.12 Announcement Requirements

The Catalist Rules specify that a listed company shall announce all purchases or acquisitions of its shares not later than 9.00 a.m. (i) in the case of a Market Purchase, on the Market Day following the day of purchase or acquisition of any of its shares and (ii) in the case of an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptances of the offer made by the Company. Such announcement (which must be in the form of Appendix 8D to the Catalist Rules) must include, *inter alia*, details of the date of the purchase, the total number of shares purchased or acquired, the number of shares cancelled, the number of shares held as treasury shares, the purchase price per share or the highest and lowest prices paid for such shares, as applicable, the total consideration (including stamp duties and clearing charges) paid or payable for the shares, the number of shares purchased or acquired as at the date of announcement (on a cumulative basis), the number of issued shares excluding treasury shares and the number of treasury shares held after the purchase or acquisition.

2.13 No Purchases or Acquisition during Price or Trade Sensitive Developments

While the Catalist Rules do not expressly prohibit any purchase or acquisition of shares by a listed company during any particular time or times. However, as the Company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued Shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the Share Purchase Mandate at any time after a price or trade sensitive development has occurred or has been the subject of a decision of the Directors until such time as the price or trade sensitive information has been publicly announced or disseminated in accordance with the requirements of the Catalist Rules.

In particular, the Company will not purchase or acquire any Shares through Market Purchases or Off- Market Purchases during the period commencing 2 weeks before the announcement of the Company’s financial statements for each of the first three quarters of its financial year and 1 month before the announcement of the Company’s full year financial statements (if the Company announces its quarterly financial statements, whether required by the SGX-ST or otherwise), or 1 month before the announcement of the Company’s half year and full year financial statements (if the Company does not announce its quarterly financial statements).

2.14 Shares Purchased or Acquired by the Company

The Company has not undertaken any purchase or acquisition of Shares pursuant to the Share Purchase Mandate approved by Shareholders at the 2020 AGM up to the Latest Practicable Date.

Notes:

- (1) Based on 10,106,683,403 issued Shares as at the Latest Practicable Date.
- (2) Mr. Chng Weng Wah is deemed interested in 463,050,000 Shares held in the custodian account with Citibank Nominees Singapore Pte Ltd, pursuant to Section 7 of the Act.
- (3) Mr Tang Wee Loke is deemed interested in 55,000,000 shares held by his spouse and 2,000,000 shares held by his children pursuant to Section 7 of the Act.

Save for their respective shareholding interests in the Company, none of the Directors and to the best of the Directors' knowledge, none of the Substantial Shareholders, has any direct or indirect interest in the proposed renewal of the Share Purchase Mandate.

4. DIRECTORS' RECOMMENDATION

Having considered, *inter alia*, the rationale and benefit of the proposed renewal of the Share Purchase Mandate, the Directors are of the opinion that the proposed renewal of the Share Purchase Mandate would be beneficial to, and is in the best interests of the Company. Accordingly, the Directors recommend that Shareholders vote in favour of the ordinary resolution relating to the proposed renewal of the Share Purchase Mandate, as set out in the Notice of AGM.

Appendix

5. DIRECTORS' RESPONSIBILITY STATEMENT

The Directors collectively and individually accept full responsibility for the accuracy of the information given in this Appendix and confirm, after making all reasonable enquiries, that to the best of their knowledge and belief, this Appendix constitutes full and true disclosure of all material facts about the proposed renewal of the Share Purchase Mandate, and the Directors are not aware of any facts the omission of which would make any statement in this Appendix misleading.

Where information in the Appendix has been extracted from published or otherwise publicly available sources or obtained from a named source, the sole responsibility of the Directors has been to ensure that such information has been accurately and correctly extracted from those sources and/or reproduced in the Appendix in its proper form and context.

6. COMPLIANCE WITH GOVERNING LAWS, REGULATIONS AND THE CONSTITUTION

The Company confirms that the terms of the proposed renewal of the Share Purchase Mandate do not contravene any laws, regulation and the Constitution governing the Company.

7. ACTION TO BE TAKEN BY SHAREHOLDERS

In view of the COVID-19 pandemic situation, the 2021 AGM will be held by way of electronic means. Alternative arrangements have been put in place to allow Shareholders to participate at the 2021 AGM by (a) watching or listening to the 2021 AGM proceedings via live webcast, (b) submitting questions in advance of the 2021 AGM, and (c) voting by proxy at the 2021 AGM. Shareholders should refer to the Notice of AGM for further information on the alternative arrangements.

8. DOCUMENTS AVAILABLE FOR INSPECTION

Copies of the following documents may be inspected by Shareholders at the Company's registered office at 120 Lower Delta Road, #03-15, Cendex Centre, Singapore 169208 during normal business hours from the date of this Appendix up to the date of the 2021 AGM:

(Resolution 8)

10. **Authority to allot and issue shares**

That pursuant to Section 161 of the Companies Act, Chapter 50 ("**Companies Act**") and Rule 806 of the Catalist Rules, authority be and is hereby given to the Directors of the Company to:

- (A) (i) allot and issue shares in the capital of the Company ("**Shares**") whether by way of rights, bonus or otherwise; and/or
- (ii) make or grant offers, agreements or options (collectively, "**Instruments**") that might or would require Shares to be issued, including but not limited to the creation and issue of (as well as adjustment to) options, warrants, debentures or other instruments convertible into Shares,

Notice Of Annual General Meeting

at any time and upon such terms and conditions and for such purposes and to such persons as the Directors may in their absolute discretion deem fit; and

- (B) (notwithstanding that the authority conferred by this Ordinary Resolution may have ceased to be in force) issue Shares in pursuance of any Instruments made or granted by the Directors while this Ordinary Resolution was in force,

provided that:

- (a) the aggregate number of Shares to be issued pursuant to this Ordinary Resolution (including Shares to be issued in pursuance of Instruments made or granted pursuant to this Ordinary Resolution) does not exceed 100% of the total number of issued Shares in the capital of the Company (excluding treasury shares and subsidiary holdings) (as calculated in accordance with sub-paragraph (b) below), of which the aggregate number of Shares to be issued other than on a *pro rata* basis to shareholders of the Company (including Shares to be issued in pursuance of Instruments made or granted pursuant to this Ordinary Resolution) does not exceed 50% of the total number of issued Shares in the capital of the Company (excluding treasury shares and subsidiary holdings) (as calculated in accordance with sub-paragraph (b) below);
- (b) (subject to such manner of calculation as may be prescribed by the SGX-ST) for the purpose of determining the aggregate number of Shares that may be issued under sub-paragraph (a) above, the percentage of the total issued Shares shall be based on the total number of issued Shares in the capital of the Company (excluding treasury shares and subsidiary holdings) at the time of passing of this Ordinary Resolution, after adjusting for:
- (i) new Shares arising from the conversion or exercise of any convertible securities;
 - (ii) new Shares arising from exercise of share options or vesting of share awards, provided the share options or share awards were granted in compliance with Part VIII of Chapter 8 of the Catalist Rules; and
 - (iii) any subsequent bonus issue, consolidation or subdivision of Shares.

Adjustments in accordance with sub-paragraphs (b)(i) and (b)(ii) above are only to be made in respect of new Shares arising from convertible securities, share options or share awards which were issued and outstanding or subsisting at the time of the passing of this Ordinary Resolution;

- (c) in exercising the authority conferred by this Ordinary Resolution, the Company shall comply with the provisions of the Catalist Rules for the time being in force (unless such compliance has been waived by the SGX-ST), all applicable legal requirements under the Companies Act and the Company's Constitution for the time being; and
- (d) (unless revoked or varied by the Company in a general meeting) the authority conferred by this Ordinary Resolution shall continue in force (i) until the conclusion of the next AGM of the Company or the date by which the next AGM of the Company is required by law and the Catalist Rules to be held, whichever is the earlier; or (ii) in the case of Shares to be issued in pursuance of the Instruments, made or granted pursuant to this Ordinary Resolution, until the issuance of such Shares in accordance with the terms of the Instruments.

[See Explanatory Note (c)]

(Resolution 9)

Notice Of Annual General Meeting

11. Authority to issue shares under the DISA Performance Shares Scheme (the “DISA PS Scheme”)

That pursuant to Section 161 of the Companies Act, authority be and is hereby given to the Directors of the Company to offer and grant share awards in accordance with the provisions of the DISA PS Scheme and to allot and issue from time to time such number of Shares in the capital of the Company as may be required to be issued pursuant to the vesting of share awards under the DISA PS Scheme, whether granted during the subsistence of this authority or otherwise, provided always that the aggregate number of new Shares to be allotted and issued pursuant to the DISA PS Scheme and any other share schemes implemented or to be implemented by the Company, shall not exceed 15% of the total number of issued Shares (excluding treasury shares and subsidiary holdings) in the capital of the Company from time to time and such authority shall, unless revoked or varied by the Company in a general meeting, continue to in force until the conclusion of the next AGM of the Company or the date by which the next AGM of the Company is required by law and the Catalist Rules to be held, whichever is earlier.

[See Explanatory Note (d)]

(Resolution 10)

12. The Proposed Renewal of the Share Purchase Mandate

That:

- (a) for the purposes of Sections 76C and 76E of the Companies Act, the Directors of the Company be and are hereby authorised to purchase or otherwise acquire from time to time issued ordinary shares in the capital of the Company (whether by way of market purchases or off-market purchases on an equal access scheme) of up to a maximum of 10% of the issued ordinary share capital of the Company (excluding treasury shares and subsidiary holdings) as at the date of the passing of this Ordinary Resolution at any price which the Directors may determine at their discretion, up to but not exceeding the Maximum Price (defined below), and such purchases and acquisitions of the Shares may be effected by way of:
 - (i) an on-market share acquisition (“**Market Purchase**”) transacted on the SGX-ST through the ready market trading system, through one or more duly licensed stockbrokers or dealers appointed by the Company for such purpose; and/or
 - (ii) an off-market share acquisition (“**Off-Market Purchase**”) pursuant to an equal access scheme(s) available to all Shareholders, as may be determined or formulated by the Directors in their discretion, which scheme(s) shall satisfy all the conditions prescribed by the Companies Act, and otherwise be in accordance with all other laws and regulations and rules of the SGX-ST (“**Share Purchase Mandate**”);
- (b) the authority conferred on the Directors pursuant to the Share Purchase Mandate, unless revoked or varied by the Company in a general meeting, may be exercised by the Directors at any time and from time to time during the period commencing from the date of the passing of this Ordinary Resolution and expiring on the earliest of:
 - (i) the date on which the next AGM of the Company is held;
 - (ii) the date by which the next AGM of the Company is required by law to be held; and
 - (iii) the date on which purchases and acquisitions of Shares pursuant to the Share Purchase Mandate are carried out to the full extent mandated;

Notice Of Annual General Meeting

- (c) in this Ordinary Resolution, the purchase price (excluding brokerage, commission, applicable goods and services tax, stamp duties, clearance fees and other related expenses) to be paid for the Shares will be determined by the Directors for the purposes to effect the purchase or acquisition of Shares. The purchase price to be paid for the Shares pursuant to the Share Purchase Mandate (both Market Purchases and Off-Market Purchases), excluding related expenses of the purchase or acquisition must not exceed ("**Maximum Price**", in each case below):

- (i) in the case of a Market Purchase, 105% of the Average Closing Price of the Shares; and
- (ii) in the case of an Off-Market Purchase, 110% of the Average Closing Price of the Shares.

For the above purposes:

"Average Closing Price" means the average of the last dealt prices of a Share for the 5 consecutive Market Days (as defined in the Letter to Shareholders dated 12 October 2021) on which the Shares are transacted on the SGX-ST immediately preceding the date of the Market Purchase by the Company or, as the case may be, the date of the making of the offer (pursuant to an Off-Market Purchase), and deemed to be adjusted, in accordance with the Catalist Rules for any corporate action which occurs during the relevant 5-day period and the day of the Share Purchase; and

"date of the making of the offer" means the date on which the Company makes an offer for the purchase or acquisition of Shares from Shareholders, stating the purchase price (which shall not be more than the Maximum Price calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase; and

- (d) the Directors and each of them be authorised, empowered to complete and do and execute all such things and acts as they or he may think necessary or expedient to give effect to this Ordinary Resolution, with such modifications thereto (if any) as they or he shall think fit in the interests of the Company.

(Resolution 11)

BY ORDER OF THE BOARD

Chng Weng Wah
Managing Director and Chief Executive Officer
Singapore, 12 October 2021

Notice Of Annual General Meeting

Explanatory Notes:

- (a) Detailed information on Mr. Toh Hock Ghim can be found under the sections entitled “Board of Directors”, “Corporate Governance Report” and “Additional Information on Directors Seeking Re-election” of the Company’s Annual Report 2021.

In respect of Rule 406(3)(d)(iii) of the Catalist Rules, to ensure the independence designation of a Director who has served for more than 9 years as at and from 1 January 2022 is not affected, the Company is seeking to obtain shareholders’ approvals for Mr. Toh Hock Ghim’s continued appointment as an Independent Director prior to 1 January 2022, as he has served for more than 9 years on the Board of the Company. Rule 406(3)(d)(iii) of the Catalist Rules provides that continued appointment as Independent Director, after an aggregate period of more than 9 years on the Board, must be sought and approved in separate resolutions by (A) all shareholders and (B) shareholders excluding Directors, Chief Executive Officer, and their associates. Mr. Toh Hock Ghim is considered independent by the Board of Directors of the Company for the purposes of Rule 704(7) of the Catalist Rules.

In the event that Resolutions 5 and 6 are carried, Mr. Toh Hock Ghim will remain as Independent Director until the earlier of his retirement or resignation as a Director or at the conclusion of the third AGM of the Company following the passing of Resolution 5 and 6. Mr. Toh Hock Ghim will also remain as the Chairman of the Company, the Chairman of the Remuneration Committee and a member of Audit and Risks Management Committee and Nominating Committee and will be considered independent for the purposes of Rule 704(7) of the Catalist Rules.

If Resolution 5 and/or Resolution 6 is/are not carried, Mr. Toh Hock Ghim will remain as Independent Director, the Chairman of the Company and the Chairman of the Remuneration Committee and a member of Audit and Risks Management Committee and Nominating Committee up to and including 31 December 2021 and shall thereafter be re-designated as Non-Executive and Non-Independent Chairman as of and from 1 January 2022 and the Company will take necessary steps to comply with the requirement of the Code of Corporate Governance 2018 and the Catalist Rules.

- (b) Detailed information on Mr. Lau Kay Heng can be found under the sections entitled “Board of Directors”, “Corporate Governance Report” and “Additional Information on Directors Seeking Re-election” of the Company’s Annual Report 2021.

In respect of Rule 406(3)(d)(iii) of the Catalist Rules, to ensure the independence designation of a Director who has served for more than 9 years as at and from 1 January 2022 is not affected, the Company is seeking to obtain shareholders’ approvals for Mr. Lau Kay Heng’s continued appointment as an Independent Director prior to 1 January 2022, as he has served for more than 9 years on the Board of the Company. Rule 406(3)(d)(iii) of the Catalist Rules provides that continued appointment as Independent Director, after an aggregate period of more than 9 years on the Board, must be sought and approved in separate resolutions by (A) all shareholders and (B) shareholders excluding Directors, Chief Executive Officer, and their associates. Mr. Lau Kay Heng is considered independent by the Board of Directors of the Company for the purposes of Rule 704(7) of the Catalist Rules.

In the event that Resolutions 7 and 8 are carried, Mr. Lau Kay Heng will remain as Independent Director until the earlier of his retirement or resignation as a Director or at the conclusion of the third AGM of the Company following the passing of Resolution 7 and 8. Mr. Lau Kay Heng will also remain as the Chairman of the Audit and Risks Management Committee and a member of Remuneration Committee and Nominating Committee and will be considered independent for the purposes of Rule 704(7) of the Catalist Rules.

If Resolution 7 and/or Resolution 8 is/are not carried, Mr. Lau Kay Heng will remain as Independent Director, and the Chairman of the Audit and Risks Management Committee and a member of Remuneration Committee and Nominating Committee up to and including 31 December 2021 and shall thereafter be re-designated as Non-Executive and Non-Independent Director as of and from 1 January 2022 and the Company will take necessary steps to comply with the requirement of the Code of Corporate Governance 2018 and the Catalist Rules.

Notice Of Annual General Meeting

- (c) The Ordinary Resolution 9 above, if passed, will empower the Directors from the date of passing of the Ordinary Resolution 9 until the date of the next AGM of the Company, or the date by which the AGM of the Company is required by law and the Catalist Rules to be held or when varied or revoked by the Company in a general meeting, whichever is the earlier, to issue Shares in the capital of the Company and to make or grant Instruments (such as warrants or debentures) convertible into Shares, and to issue Shares in pursuance of such Instruments, up to a number not exceeding 100% of the issued Shares in the capital of the Company (excluding treasury shares and subsidiary holdings), of which up to 50% may be issued other than on a *pro rata* basis to Shareholders. The aggregate number of Shares which may be issued shall be based on the total number of issued Shares in the capital of the Company (excluding treasury shares and subsidiary holdings) at the time the Ordinary Resolution 9 is passed, after adjusting for (a) new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time the Ordinary Resolution 9 is passed, and (b) any subsequent bonus issue or consolidation or subdivision of shares.
- (d) The Ordinary Resolution 10 above, if passed, will empower the Directors of the Company from the date of passing of the Ordinary Resolution 10 until the date of the next AGM of the Company, or the date by which the next AGM of the Company is required by law and the Catalist Rules to be held or when varied or revoked by the Company in a general meeting, whichever is the earlier, grant of share awards under the DISA PS Scheme which was renewed at the Extraordinary General Meeting of the Company held on 26 October 2018, and to allot and issue shares upon the vesting of shares awards under the DISA PS Scheme shall not exceed 15% of the total number of issued shares (excluding treasury shares and subsidiary holdings) of the Company from time to time.
- (e) The Ordinary Resolution 11 above, will authorise the Directors of the Company, from the date this Ordinary Resolution 11 is passed until the next AGM of the Company or the date by which the next AGM of the Company is required by law and the Catalist Rules to be held or when varied or revoked by the Company in a general meeting, whichever is earlier, to purchase or acquire up to 10% of the total number of issued Shares (excluding treasury shares and subsidiary holdings), at prices up to but not exceeding the Maximum Price (as defined above), as at the date of the passing of the Ordinary Resolution 11. Details of the proposed renewal of the Share Purchase Mandate are set out in the Appendix accompanying this Annual Report.

MEASURES TO MINIMIZE RISK OF COMMUNITY SPREAD OF COVID-19

Alternative arrangements to hold general meetings

1. The COVID-19 (Temporary Measures) Act that was passed by Parliament on 7 April 2020 and the COVID-19 (Temporary Measures) (Alternative Arrangements for Meetings for Companies, Variable Capital Companies, Business Trusts, Unit Trusts and Debenture Holders) Order 2020 issued by the Minister of Law on 13 April 2020 (as amended from time to time) provide legal certainty such that issuers are able to make alternative arrangements to hold general meetings where personal attendance is required under written law or legal instruments (such as a company's constitution) ("**Meeting Orders**"). An updated joint statement was issued by the Monetary Authority of Singapore, the Accounting and Corporate Regulatory Authority and the Singapore Exchange Regulation on 1 October 2020 to include the latest requirements of the Alternative Arrangements Order, regarding providing additional guidance on the conduct of general meetings during elevated safe distancing period.
2. The AGM of the Company will be held by way of electronic means and members will NOT be allowed to attend the AGM in person. This Notice and Proxy Form will be available to members by electronic means via publication on the SGXNet at <https://www.sgx.com/securities/company-announcements> and the Company's website at <http://disa.sg/investors.html>.

Notice Of Annual General Meeting

- Alternative arrangements are instead put in place to allow members to participate in the AGM by: (a) observing and listening to the AGM proceedings via a live streaming ("**Live Webcast**"). Members who wish to participate as such will have to pre-register in the manner outlined in paragraphs 4 to 9 below; (b) voting by proxy at the AGM in the manner outlined in paragraphs 10 to 19 below; and (c) submitting questions prior to the date of the AGM in the manner outlined in paragraphs 20 to 23 below.

Participate in the AGM via live streaming

- All members or their corporate representatives (in the case of corporate members) will be able to observe and listen to the AGM proceedings through a Live Webcast via their mobile phones, tablets or computers upon pre-registration. In order to do so, members must pre-register with the Company by 10.30 a.m. on 25 October 2021 ("**Registration Deadline**"), at the URL: <https://conveneagm.com/sg/disalimited2021> ("**DISA AGM Website**"), to create an account. Corporate members must also submit the Corporate Representative Certificate to the Company's Share Registrar at the following email address: shareregistry@incorp.asia.
- Following the authentication of his/her/its status as a member of the Company, such member will receive an email on their authentication status and will be able to access the Live Webcast using the account created.
- Members who have pre-registered by the Registration Deadline but do not receive the aforementioned email by 10.30 a.m. on 27 October 2021 should contact the Company's Share Registrar at the following email address: shareregistry@incorp.asia, with the following details included:
 - the member's full name; and
 - his/her/its identification/registration number.
- Non-CPF/SRS holders whose shares are registered under Depository Agents ("**DAs**") must also contact their respective DAs to indicate their interest in order for their respective DAs to make the necessary arrangements for them to participate in the Live Webcast.
- Members are reminded that the AGM proceedings are private. Instructions on access to the Live Webcast should therefore not be shared with anyone who is not a member of the Company or otherwise not authorised to attend the AGM. Recording of the Live Webcast in whatever form is also strictly prohibited.
- Members will not be able to vote through the Live Webcast and can only vote with their proxy forms which are required to be submitted in advance.

Voting by proxy

- The only way for members to exercise their voting rights at the AGM is via proxy voting. Members would have to submit the attached proxy form to the Company in accordance with the instructions set out in such proxy form and appoint "Chairman of the Meeting" as their proxy. All votes in the AGM will be taken on a poll.
- Members (whether individuals or corporates) appointing the "Chairman of the Meeting" as proxy must give specific instructions as to his/her/its manner of voting, or abstentions from voting, in the proxy form, failing which the appointment and votes will be treated as invalid.

Notice Of Annual General Meeting

12. The Proxy Form must be submitted through any one of the following means: (a) via the DISA AGM Website; (b) by depositing a physical copy at the registered office of the Company's share registrar at 30 Cecil Street #19-08 Prudential Tower Singapore 049712; or (c) by sending a scanned PDF copy by email to shareregistry@incorp.asia, in each case, no later than 10.30 a.m. on 25 October 2021, and failing which, the Proxy Form will not be treated as valid.
13. In the case of submission of the Proxy Form other than via the DISA AGM Website, a member who wishes to submit an instrument of proxy must first download, complete and sign the proxy form, before submitting it by post to the address provided above, or before scanning and sending it by email to the email address provided above.
14. In view of the current COVID-19 pandemic situation and the related safe distancing measures, members are strongly encouraged to submit completed proxy forms electronically.
15. In the case of submission of the Proxy Form other than via the DISA AGM Website, the Proxy Form must be executed under the hand of the appointor or of his attorney duly authorised in writing. Where the Proxy Form is executed by a corporation, it must be executed under its common seal or under the hand of its officer or attorney duly authorised. Where the Proxy Form is signed on behalf of the appointor by an attorney, the power of attorney (or other authority) or a duly certified copy thereof must (failing previous registration with the Company) be lodged with the Proxy Form, failing which the Proxy Form may be treated as invalid.
16. A corporation which is a member may authorise by resolution of its directors or other governing body such person as it thinks fit to act as its representative with respect to the AGM, in accordance with Section 179 of the Companies Act and the person so authorised shall upon production of a copy of such resolution certified by a director of the corporation to be a true copy, be entitled to exercise the powers on behalf of the corporation so represented as the corporation could exercise in person if it were an individual.
17. The Company shall be entitled to reject the Proxy Form if it is incomplete, improperly completed, illegible or where the true intentions of the appointor are not ascertainable from the instructions of the appointor specified in the Proxy Form.
18. In the case of a member of the Company whose shares are entered against his/her name in the Depository Register, the Company may reject any Proxy Form if the member, being the appointor, is not shown to have shares entered against his/her name in the Depository Register as at seventy-two (72) hours before the time appointed for holding the AGM, as certified by The Central Depository (Pte) Limited to the Company.
19. Members who hold their shares through relevant intermediaries and who wish to exercise their votes by appointing the "Chairman of the Meeting" as proxy should approach their respective relevant intermediaries (including their respective CPF Agent Banks or SRS Approved Banks) to submit their voting instructions by 5.00 p.m. on 18 October 2021.

Submission of questions prior to AGM

20. Members will not be able to ask questions during the Live Webcast, therefore it is important for members to register and submit their questions in advance of the AGM. A member of the Company may submit questions relating to the resolutions to be tabled for approval at the AGM or the Company's businesses and operations. The Company will endeavour to address questions which are substantial and relevant (as may be determined by the Company in its sole discretion) received from members prior to or during the AGM.

Notice Of Annual General Meeting

21. To do so, all questions must be submitted no later than 10.30 a.m. on 21 October 2021 through any one of the following means: (a) via the DISA AGM Website; or (b) in physical copy by depositing the same at the registered office of the Company's Share Registrar at 30 Cecil Street #19-08 Prudential Tower Singapore 049712; or (c) by email to shareregistry@incorp.asia.
22. If the questions are deposited in physical copy at the Company's Share Registrar office or sent via email, and in either case not accompanied by the completed and executed Proxy Form, the following details must be included with the submitted questions: (i) the member's full name; and (ii) his/her/its identification/registration number for verification purposes, failing which the submission will be treated as invalid.
23. The Company will publish the minutes of the AGM on SGXNet and the Company's website within one month after the date of AGM, including responses from the Board and Management in relation to substantial and relevant questions from Members relating to the resolutions to be tabled for approval at the AGM.

Important Notice:

Due to the evolving COVID-19 pandemic situation in Singapore, the Company may change the AGM arrangements at short notice to comply with precautionary measures recommended and imposed by the authorities from time to time. The Company will announce any changes to the holdings or conduct of the AGM via the SGXNet. Members are advised to check the SGXNet regularly for updates on the AGM.

The Company would like to thank all members for their patience and co-operation in enabling the Company to hold the AGM with the optimum safe distancing measures amidst the current COVID-19 pandemic situation.

DISA LIMITED

(Company Registration No. 197501110N)
(Incorporated in the Republic of Singapore)
(the "Company")

This form of proxy has been made available on SGXNet and the Company's website and may be accessed at the URL <https://www.sgx.com/securities/company-announcements> and <http://disa.sg/investors.html>. A printed copy of this proxy form will NOT be despatched to members.

IMPORTANT:

1. The Annual General Meeting ("AGM" or the "Meeting") is being convened, and will be held by way of electronic means pursuant to the COVID-19 (Temporary Measures) (Alternative Arrangements for Meetings for Companies, Variable Capital Companies, Business Trusts, Unit Trusts and Debenture Holders) Order 2020 and its subsequent amendments. Alternative arrangements relating to, among others, attendance, submission of questions in advance and/or voting by proxy at the AGM are set out in this proxy form which has been uploaded on SGXNet and the Company website on the same day.
2. A member will not be able to attend the AGM in person. If a member (whether individual or corporate) wishes to exercise his/her/their voting right at the AGM, he/she/they must appoint the Chairman of the Meeting as his/her/their proxy to vote on his/her/their behalf at the AGM. In appointing the Chairman of the Meeting as proxy, a member (whether individual or corporate) must give specific instructions as to voting, or abstentions from voting, in the form of proxy, failing which the appointment of the Chairman of the Meeting as proxy for that resolution will be treated as invalid.
3. Members who hold shares through the relevant intermediaries as defined in Section 181 of the Companies Act, Chapter 50 (including CPF investors, SRS investors and holders under depository agents) and who wish to appoint the Chairman of the Meeting as proxy should approach their respective relevant intermediaries (including CPF agent banks, SRS approved banks or depository agents) to submit their votes by 5.00 p.m. on 18 October 2021.
4. By submitting an instrument appointing the Chairman of the Meeting as proxy, the member accepts and agrees to the personal data privacy term set out in the Notice of AGM dated 12 October 2021.
5. Please read the notes overleaf which contain instructions on, *inter alia*, the appointment of the Chairman of the Meeting as a member's proxy to vote on his/her/ their behalf at the AGM.

Total Number of Ordinary Shares Held

Signature(s) of Member(s)/Common Seal of Corporate Member

IMPORTANT. Please read notes overleaf

Notes:

1. Please insert the total number of shares in the Company ("**Shares**") held by you. If you have Shares entered against your name in the Depository Register, you should insert that number of Shares. If you have Shares registered in your name in the Register of Members, you should insert that number of Shares. If you have Shares entered against your name in the Depository Register and Shares registered in your name in the Register of Members, you should insert the aggregate number of Shares entered against your name in the Depository Register and registered in your name in the Register of Members. If no number is inserted, the instrument appointing a proxy shall be deemed to relate to all the Shares held by you.
2. The Proxy Form must be submitted through any one of the following means: (a) via the DISA AGM Website; (b) by depositing a physical copy at the registered office of the Company's share registrar at 30 Cecil Street #19-08 Prudential Tower Singapore 049712; or (c) by sending a scanned PDF copy via email to shareregistry@incorp.asia, in each case, no later than 10.30 a.m. on 25 October 2021, and failing which, the Proxy Form will not be treated as valid.
3. In the case of submission of the Proxy Form other than via the DISA AGM Website, a member who wishes to submit an instrument of proxy must first download, complete and sign the proxy form, before submitting it by post to the address provided above, or before scanning and sending it by email to the email address provided above.
4. In view of the current COVID-19 situation and the related safe distancing measures, members are strongly encouraged to submit completed proxy forms electronically.
5. In the case of submission of the Proxy Form other than via the DISA AGM Website, the Proxy Form must be executed under the hand of the appointor or of his attorney duly authorised in writing. Where the Proxy Form is executed by a corporation, it must be executed under its common seal or under the hand of its officer or attorney duly authorised. Where the Proxy Form is signed on behalf of the appointor by an attorney, the power of attorney (or other authority) or a duly certified copy thereof must (failing previous registration with the Company) be lodged with the Proxy Form, failing which the Proxy Form may be treated as invalid.
6. A corporation which is a member may authorise by resolution of its directors or other governing body such person as it thinks fit to act as its representative with respect to the AGM, in accordance with Section 179 of the Companies Act (Chapter 50 of Singapore) and the person so authorised shall upon production of a copy of such resolution certified by a director of the corporation to be a true copy, be entitled to exercise the powers on behalf of the corporation so represented as the corporation could exercise in person if it were an individual.
7. Please take note of the section "Measures to Minimize Risk of Community Spread of COVID-19" in the Notice of Annual General Meeting.

General

The Company shall be entitled to reject the instrument appointing the "Chairman of the Meeting" as proxy if it is incomplete, improperly completed or illegible or where the true intentions of the appointor are not ascertainable from the instructions of the appointor specified in the instrument appointing the "Chairman of the Meeting" as proxy. In addition, in the case of Shares entered in the Depository Register, the Company may reject any instrument appointing the "Chairman of the Meeting" as proxy lodged if the member, being the appointor, is not shown to have Shares entered against his/her name in the Depository Register as at seventy-two (72) hours before the time appointed for holding the Annual General Meeting of the Company, as certified by The Central Depository (Pte) Limited to the Company.

PERSONAL DATA PRIVACY

By submitting this instrument appointing the Chairman of the Meeting as proxy to attend, speak and vote at the AGM and/or any adjournment thereof, the member of the Company accepts and agrees to the personal data privacy terms set out in the Notice of Meeting dated 12 October 2021.
